(2) Only such records as are demonstrably and substantially relevant to the educational and related purposes of the University, division, or department shall be generated and maintained.

(3) No student shall be required to give (although the student may voluntarily provide) information as to the student's race, religion, sex, age, handicap, national origin, marital status, political affiliation, sexual orientation, gender identity, or personal values, except as specifically required by state or federal law, rules, or orders.

Definitions

(2) "Directory information" means a student's full name, address, telephone number, electronic mail addresses, dates of attendance, major or minor field of study, degrees and awards received, number of credits earned, participation in officially recognized activities and sports, weight and height of members of athletic teams, and the facts of enrollment, including whether the student is enrolled full-time or part-time;

(3)(a) "Education records" means records that are directly related to a student and that are maintained by the University or by a person acting for the University.

(b) To the extent set forth in the Act, "education records" do not include:

(A) Records that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record;

(B) Records of the Campus Public Safety Office;

(C) Records related to an employee of the University, unless the individual is in attendance at the University and is employed as a result of his or her status as a student;

(D) Treatment records concerning a student that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his or her professional capacity; or

(E) Records that only contain information about an individual after he or she is no longer a student at the University.

(4) "Legitimate educational interest" means a reasonable need to know information in the course of carrying out one's professional duties.
(5) "Personally identifiable information" means a student's name, the name of a student's parents or other family members, a student's address, a student's personal identifier such as Social Security number or student number, and other personal information or characteristics that would make a student's identity easily traceable.

Release of Personally Identifiable Information With Consent

Except as provided in the Act or other applicable law and OAR 577-030-0016, the University will not disclose personally identifiable information from a student's education records unless the student provides a signed and dated written consent which specifies the records that may be disclosed, states the purpose of the disclosure, and identifies the party or class of parties to whom the disclosure may be made.

577-030-0017

Release of Personally Identifiable Information Without Consent

The University may, in its discretion and to the extent permitted by the Act, disclose personally identifiable information from an education record without the student's consent if one of the following conditions is met:

(1) The disclosure is to a school official who has a legitimate educational interest.

(2) The disclosure is to officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll.

(3) The disclosure is to comply with a judicial order or lawfully issued subpoena as provided in OAR 577-030-0021.

(4) The disclosure is in connection with a health or safety emergency, if disclosure is necessary to protect the health or safety of the student or other person. In such an instance information may be disclosed only if the threat to health or safety is serious, if the information is needed to meet the emergency, and if time is critical in dealing with the emergency. These requirements are to be strictly construed.

(5) The disclosure is to an organization conducting legitimate educational research, testing, accreditation functions, granting financial aid, or improving instruction; provided, that such data does not permit identification of the student or parents to others and the information is to be destroyed when no longer needed to carry out its specified purpose(s).

(6) The disclosure is in connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions for the aid, or enforce the terms and conditions of the aid. As used in paragraph, "financial aid" means...
a payment of funds provided to a student (or a payment in kind of tangible or intangible property to a student) that is conditioned on a student's attendance at the University.

(7) The disclosure is of directory information, unless the student has requested in writing that directory information be kept confidential as provided in OAR 577-030-0020.

(8) The disclosure is to a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceeding conducted by the University with respect to that alleged crime or offense.

(9) The disclosure is in connection with a disciplinary proceeding at the University and the University determines that (a) the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and (b) the student has committed a violation of the institution's rules or policies with respect to the allegation made against him or her. The University may not disclose the name of any other student, including a victim or witness, without the prior written consent of the other student. This subsection applies only to disciplinary proceedings in which the final results were reached on or after October 7, 1998.

(10) The disclosure is otherwise in compliance with the Act or other applicable law.

Such a restriction may be placed or removed not more than once per academic term.

(2) If a federal grand jury subpoena or any other subpoena issued for a law enforcement purpose requires the production of an education record and orders that the existence or the contents of the subpoena or the information furnished in response to the subpoena not be disclosed, then the University shall not notify the student. Any law enforcement subpoena or court order requiring that the existence of the subpoena or the information furnished in response to the subpoena be kept confidential shall be immediately sent to the University's Office of General Counsel for review prior to compliance.

Access to records shall be provided as soon as practicable, but not later than 45 days following the request.

(2) If circumstances effectively prevent a student from exercising the right to inspect and review his or her education records, the student may make a written request for a copy of the records. The student may be charged a fee for the copying at the prevailing University rate for photocopy services.

Student's Right to Challenge Information Contained in Education Records

(1) If a student believes the education records relating to the student contain information that is inaccurate, misleading, or in violation of the student's rights of privacy, he or she may ask the unit custodian of the student record or the university custodian of student records, whichever custodian is in possession of the record, to amend the record. Such a request shall be submitted to the appropriate record custodian in writing and shall include at a minimum the following:

(a) If available, a copy of the record the student is seeking to amend;

(b) The specific amendment sought;

(c) The reasons why the student is seeking the amendment; and

(d) All evidence the student wishes the University to consider.

(2) The University shall decide whether to amend the record within a reasonable time after it receives the request. If the University decides not to amend the record as requested, it will inform the student of its decision and of his or her right to a hearing.

(3) A hearing requested by the student will be informal but must meet the requirements of the federal Family Educational Rights and Privacy Act of 1974 as amended and 34 CFR 99.22. The hearing must be held within a reasonable period of time after the University has received the request for the hearing. The student must be given notice of the date, time and place reasonably in advance of the hearing. The hearing must be conducted by a person who does not have a direct interest in the outcome of the hearing. The student shall be provided with a full and fair opportunity to present evidence relevant to the student's request to amend the record. The student may, at his or her own request, be assisted at the hearing by one or more individuals of his or her own choice, including an attorney. The University shall make its decision in writing within a reasonable period of time after the hearing. The decision must be based solely on the evidence presented at the hearing, and must include a summary of the evidence and the reasons for the decision.

(4) If, as a result of the hearing, the University decides that the information is inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it shall amend the record accordingly and inform the eligible student of the amendment in writing. If the University decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it shall inform the student of the right to place a statement in the record commenting on the contested information or stating why he or she disagrees with the University's decision, or both. Any such statement will be maintained with the contested part of the record for as long as the record is maintained and disclosed whenever the relevant portion of the record is disclosed.

(a) Unless a waiver from the student, as provided in OAR 577-030-0040, is on file, letters of appraisal, evaluation or recommendation solicited with an assurance to the writer of confidentiality, or if the writer claims confidentiality, shall be returned to the writer. The return letter to the writer shall inform the writer that the document is open to review by the student under the Act. If the writer is willing to resubmit the letter under that condition, the writer is asked to return the letter.

(b) Letters of appraisal, evaluation or recommendation which were not solicited with an assurance of confidentiality nor which claim confidentiality shall be open for review by the applicant or student involved, unless a waiver from the student, as provided in OAR 577-030-0040, is on file.
