- LING 418/518 Linguistic Morphology, 4 credits – new course
- LING 419/519 Language Typology, 4 credits – new course
- SPHR 487/587 Basic Audiology, 4 credits – drop 500-level section
- SPHR 488/588 Advanced Audiology, 4 credits – drop 500-level section
- SPHR 581 Stuttering, 2 credits – change to 3 credits
- SPHR 582 Voice Disorders, 2 credits – change to 3 credits
Discussion: Split courses and sequences in the electronic Bulletin

The meeting was called to order at 12:04 p.m.

Minutes from March 12 GC meeting

It was moved (Perlmutter) and seconded (Anderson) to approve the March 12 minutes as submitted. The motion was approved unanimously.

New Business

College of Liberal Arts and Sciences

• MA/MS in Geography – change in existing program; increase research requirement from 2 to 3 credits

It was moved (Anderson) and seconded (Kinsella) to approve this proposal. The motion was approved unanimously.

• PhD in Applied Psychology – change in existing program; small adjustments to degree requirements

It was moved (Kinsella) and seconded (Anderson) to approve this proposal. The motion was approved unanimously.

• MA/MS in Speech and Hearing Sciences – change in existing program; increase degree requirements from 75 to 77 credits

The overall change is minor and straightforward, but there are questions about adjustments for transitional students. Kinsella will take the proposal back to the unit for clarification.

• MAT in World Language: French, German, Japanese, and Spanish – eliminate program

It was moved (Kinsella) and seconded (Perlmutter) to approve this proposal. The motion was approved unanimously.

• ANTH 451/551 History of Archaeology, 4 credits – change prerequisites
• ANTH 453/553 Archaeological Field Methods, 4 credits – change prerequisites
• ANTH 455/555 Analysis of Faunal Remains, 5 credits – change prerequisites
• ANTH 456/556 Issues in Cultural Resource Management, 4 credits – change prerequisites
• ANTH 457/557 Hunter-Gatherers, 4 credits – change prerequisites
• ANTH 461/561 Advanced Topics in Archaeology, 4 credits – change prerequisites

It was moved (Kinsella) and seconded (Anderson) to approve these six proposals. The motion was approved unanimously.
ANTH 452/552  Lab Methods in Archaeology, 4 credits – change course title to Archaeological Lab Methods, change prerequisites
ANTH 464/564  Topics in Northwest Prehistory, 4 credits – change title to Topics in Northwest Archaeology, change prerequisites

It was moved (Perlmutter) and seconded (Watanabe) to approve these two proposals. The motion was approved unanimously.

COMM 487/587  Propaganda, Public Relations, and Media, 4 credits – change course description

It was moved (Kinsella) and seconded (Anderson) to approve this proposal. The motion was approved unanimously.

GEOG 445/545  Resource Management Topics, 4 credits – change course description

It was moved (Watanabe) and seconded (Anderson) to approve this proposal. The motion was approved unanimously.

BI 476/576  Population Biology, 4 credits – change course title to Population Ecology, change course description, change credit hours to 5, change prerequisites

It was moved (Perlmutter) and seconded (Anderson) to approve this proposal. The motion was approved unanimously.

BI 461/561  Invertebrate Zoology, 6 credits – change course number to BI 386; drop 500-level section
BI 480/580  Microbiology, 4 credits – change course number to BI 380; drop 500-level section
BI 488/588  Microbiology Techniques, 2 credits – change course number to BI 388; drop 500-level section

It was moved (Anderson) and seconded (Watanabe) to approve these three proposals. The motion was approved unanimously.

SPHR 487/587  Basic Audiology, 4 credits – drop 500-level section
SPHR 488/588  Advanced Audiology, 4 credits – drop 500-level section

It was moved (Beasley) and seconded (Anderson) to approve these two proposals. The motion was approved unanimously.

ANTH 458/558  Past Human-Environment Interactions, 4 credits – new course

It was moved (Perlmutter) and seconded (Anderson) to approve this proposal. The motion was approved unanimously.

BI 425/525  Natural History of Antarctica, 5 credits – new course

It was moved (Kinsella) and seconded (Anderson) to approve this proposal. The motion was approved unanimously.

BI 436/536  Behavioral Endocrinology, 4 credits – new course

It was moved (Kinsella) and seconded (Watanabe) to approve this proposal. The motion was approved unanimously.

ESM 416/516  Ecosystem Restoration, 4 credits – new course

It was moved (Kinsella) and seconded (Anderson) to approve this proposal. The motion was approved unanimously.
• GEOG 449/549  Geography of Food, 4 credits – new course

*It was moved (Perlmutter) and seconded (Watanabe) to approve this proposal. The motion was approved unanimously.*

• LING 418/518  Linguistic Morphology, 4 credits – new course
• LING 419/519  Language Typology, 4 credits – new course

*It was moved (Kinsella) and seconded (Anderson) to approve these two proposals. The motion was approved unanimously.*

• SPHR 581  Stuttering, 2 credits – change to 3 credits
• SPHR 582  Voice Disorders, 2 credits – change to 3 credits

*It was moved (Wantanabe) and seconded (Schuler) to approve these two proposals. The motion was approved unanimously.*

Graduate School of Education

• MA/MS in Education: Counseling – change in existing program; change course requirements for rehabilitation counseling track

*It was moved (Perlmutter) and seconded (Beasley) to approve this proposal. The motion was approved unanimously.*

• COUN 520  Collaborative Partnerships to Support Infants and Toddlers, 1-3 credits – new course

*It was moved (Anderson) and seconded (Shuler) to approve this proposal. The motion was approved unanimously.*

• Graduate Certificate in Infant/Toddler Mental Health – change in existing program; reduce credit total from 25 to 20

*It was moved (Watanabe) and seconded (Kinsella) to approve this proposal. The motion was approved unanimously.*

• Graduate Certificate in Training and Development – new program

*It was moved (Beasley) and seconded (Anderson) to approve this proposal. The motion was approved unanimously.*

**Discussion: Split courses and sequences in the electronic Bulletin**

Harmon gave the GC member a handout of various scenarios that will be discussed at a future meeting.

The meeting was adjourned at 12:48 p.m.
