Syllabus
Winter Term 2020
PH 507/607 seminar credit

Instructor: Erik Sánchez
Office: B1-30
Email: esanchez@pdx.edu
Normally at 3:15 pm Mondays on select dates, check the Physics Office.

1. Should attend at least 5 out of 6 (possibly 7) seminars. Attendance will be determined from the attendance sheet circulated during the seminar.

2. Submit a report within 2 weeks after the seminar. The report need not be long (less than 1 page) and should include the following:
   a. Summarize (in bullet form) what you learned from the seminar.
   b. Mention at least one thing you learned that was interesting in the talk, also, was the information useful in your research. If so, in what way?

You may email me this report (email: esanchez@pdx.edu with subject line: Seminar Report for Speaker # and (your name)) or leave a hard copy in my mailbox in the Physics office.

Expected Speakers:

#1. Michaela Kleinert (Willamette University) - Jan 13th
#2. Xiaolin Nan (OHSU) - Mar 9th
#3. Jeff Black (Physics Department – PSU) - Feb 10th
#4. Oak Ridge Researcher - Feb 24th
#5. Graduate Students (Physics Program (TBD)) - Jan 27th
#6. Bernard Vancil (Ebeam Inc.) - March 2nd
#7. Possibly another speaker from Intel on another Monday, still confirming.
