Student Employment and Professional Application

Topic Team:
Community-Based Teaching and Learning

Research & Sponsored Research
Figure 2 How Community Partnership Council Work Flows into the Campus Strategic Plan

Committees create reports using common template; includes “big ideas” to promote community partnerships:

1. Committee on: Research Sponsored Projects

2. Committee on: Community Based Teaching and Learning Engagement

3. Committee on: Student Employment and Professional Education

Work of committees is synthesized and organized including “big ideas”:

Analysis, big ideas, recommendation from the council are written to a compelling document:

Report to campus strategic planning:

- SWOT, Big Ideas, Innovation
- New Subgroup: Writing and Organizing Team – Utilizing Templates
- “White Paper” Report of the full findings and recommendations made by the council

Prior work done in office of Strategic Partnerships, including SWOT Analysis
