

### **An important Psi Chi Project:**

\*Donate your textbooks to Psi Chi!\* The Portland State University Chapter of Psi Chi (The International Honor Society in Psychology) is building a small library of course materials that may be borrowed at no cost by students who otherwise would not be able to afford them and by students who are waiting for their course text to arrive. If you would like to help by donating your course materials/textbooks at the end of this term, please contact us **now** at **\*psichi@pdx.edu\***!
