## By Arrangement Request

**Student**: Make arrangements and obtain approval during the priority registration period.

Routing: Instructor forwards to Department Chair who submits form to Registration office via email.

Registration office: Process form within 10 days, adding course to the student's registration. Once the course is added, charges are applied to the student's account. Students may view the new billing statement at banweb.pdx.edu.

If there are registration holds on the student's account, the course will not be added until the holds have been removed
