BID FORM

PROJECT: West Loop Medium Voltage Testing & Maintenance RFP

BID DEADLINE: March 18, 2015, 3:00 PM local time

FROM: __________________________________________________________

Name of Contractor

TO: Portland State University, Contracting and Procurement Services.

1. The Undersigned (check one of the following and insert information as requested):

   _____a. An individual doing business under an assumed name registered under the laws of the State of ___________________________; or

   _____b. A partnership registered under the laws of the State of _____________________; or

   _____c. A corporation organized under the laws of ____________________; or

   _____d. A limited liability corporation/company organized under the laws of the State of _____________________________;

   hereby proposes to furnish all material and labor and perform all Work hereinafter indicated for the above project in strict accordance with the Contract Documents for the Base bid as follows:

   ________________________________________________________________________ Dollars ($__________________)

   and the Undersigned agrees to be bound by each of the following documents:

   • Advertisement for Bids or Notice of Public Improvement Contract Opportunity
   • Instructions to Bidders
   • Supplemental Instructions to Bidders, if any
   • Sample Public Improvement Agreement
   • PSU General Conditions, July 1, 2014
   • Supplemental General Conditions, if any
   • Plans and Specifications
   • Drawings and Details
   • Prevailing Wage Rates
   • Payroll and Certified Statement Form
   • Any ADDENDA numbered _____ through_____, inclusive (fill in blanks).

2. The Undersigned proposes to add to the Base Bid indicated above the items of work relating to the following Alternate(s) as designated in the scope of work:

   **Alternate 1:** Prepare a proposed line item list for each item listed below. Bid as no anchoring exists and all items are new. Refer to scope below and the one-line diagram in appendix 4.9:
Scope: Provide seismic bracing calculations performed by an Oregon registered structural engineer and install the specific anchoring devices. Each switchboard needs to be visually assessed to verify if proper anchoring is present. If proper anchoring is not present, the switchboard needs to be anchored externally without shutting down the switchboard. If shutting down the switchboard is required then notify PSU CPC.

ADD: $______________

Alternate 3: Provide design, demolition, installation and testing of a new switchboard at CHNW (Cramer Hall North West). Equipment is estimated to be 208/120V, 1600A MCB, 1600A Bus, one (1) 1200A breaker, one (1) 600A breaker, one (1) 600A provision, six (6) 125A breakers, two (2) 125A provisions and (2) 225A breakers. All breakers to be equipped with integral adjustable trip settings. Provide lump sum cost for all equipment rated at 42KAIC and at 65KAIC. Base cost around Eaton/CH products. Contractor will be responsible to verify all existing primary and secondary terminations, coordinate breaker settings (Flash, Fault, TCC), provide accurate floor plan and provide accurate one-line diagram. One-line diagram to be provided to PSU in pdf, Autocad, along with additional modeling software files, such as .CSV & .SKM.

ADD: $______________

4. The substantial completion date shall be December 31, 2015. The final completion date shall be January 31, 2016.

5. The Undersigned certifies that: (1) This bid has been arrived at independently and is being submitted without collusion with and without any agreement, understanding, or planned common course of action with any other vendor.
of materials, supplies, equipment or services described in the invitation to bid designed to limit independent bidding or competition; and (2) The contents of the bid have not been communicated by the Undersigned or its employees or agents to any person not an employee or agent of the Undersigned and will not be communicated to such person prior to the official opening of the bid.

6. The undersigned **HAS, HAS NOT (circle applicable status)** paid unemployment or income taxes in Oregon within the past 12 months and **HAS, HAS NOT (circle applicable status)** a business address in Oregon.

7. The Undersigned agrees, if awarded a contract, to comply with the provisions of ORS 279C.800 through 279C.870 pertaining to the payment of the prevailing rates of wage.

8. Contractor's CCB registration number is _________________________. As a condition to submitting a bid, a Contractor must be registered with the Oregon Construction Contractors Board in accordance with ORS 701.035 to 701.055, and disclose the registration number. Failure to register and disclose the number will render the bid unresponsive and it will be rejected, unless contrary to federal law.

9. The successful bidder hereby certifies that all subcontractors who will perform construction work as described in ORS 701.005(2) were registered with the Construction Contractors Board in accordance with ORS 701.035 to 701.055 at the time the subcontractor(s) made a bid to work under the Contract.

10. The successful bidder hereby certifies that, in compliance with the Worker's Compensation Law of the State of Oregon, its Worker's Compensation Insurance provider is ___________________________, Policy No. ____________, and that Contractor shall submit Certificates of Insurance as required.

11. Contractor's Project Manager for this project is: _________________________________.

   Office Phone: ___________ Cell Phone: ___________ Email: ____________________________.

12. The Undersigned certifies that it has not discriminated against minority, women, or emerging small businesses in obtaining any subcontracts for this project.
By signature below, Contractor agrees to be bound by this bid.

BID SECURITY FORM

We, _____________________________________, as “Principal,”
(Name of Principal)

and _____________________________________, an _________________ Corporation,
(Name of Surety)

authorized to transact Surety business in Oregon, as “Surety,” hereby jointly and severally bind ourselves, our respective
heirs, executors, administrators, successors and assigns to pay unto Portland State University (“Obligee”) the sum of
($__________________) ____________

WHEREAS, the condition of the obligation of this bond is that Principal has submitted its proposal or bid to an agency of
the Obligee in response to Obligee’s procurement document (#1546) for the project identified as West Loop Medium
Voltage Testing & Maintenance RFP which proposal or bid is made a part of this bond by reference, and Principal is
required to furnish bid security in an amount equal to ten (10%) percent of the total amount of the bid pursuant to the
procurement document.

NOW, THEREFORE, if the proposal or bid submitted by Principal is accepted, and if a contract pursuant to the proposal or
bid is awarded to Principal, and if Principal enters into and executes such contract within the time specified in the
Instructions to Bidders and executes and delivers to Obligee its good and sufficient Performance Bond and Payment Bond
required by Obligee within the time fixed by Obligee, then this obligation shall be void; otherwise, it shall remain in full
force and effect.

IN WITNESS WHEREOF, we have caused this instrument to be executed and sealed by our duly authorized legal
representatives this ____________ day of _________________________, 20____.
