1.2 Statement of Dignity and Respect
Campus Rec recognizes and celebrates the human differences that surround us. Join us in embracing this philosophy by treating everyone with respect and kindness.
2 General Guidelines

2.1 General Conduct

The University Faculty/Staff/Alumni and Student Conduct Codes are enforced at all times. Non-compliance with these Codes may be referred to the Office of Human Resources or the Dean of Student Life for Portland State community members. Campus Rec reserves the right to deny or restrict facility use to anyone who refuses to comply with the policies set forth in this handbook.

Use of the Rec Center is considered a privilege. Mature and respectful conduct is expected and required at all times. Campus Rec staff reserve the right to remove any member or guest from the area if they exhibit behavior that is believed to be unsafe or inappropriate.

Campus Rec staff has authority over facility conduct and use of equipment. A patron who fails to follow these rules may be given a warning. If a CREC staff member has requested compliance with policy, but the patron has refused, the patron may be asked to leave the Student Rec Center. Failure to comply with requests of the staff may also result in suspension of facility privileges.

To facilitate Portland State University’s mission of teaching and learning consistent with a state institution of higher education, the Rec Center requires its patrons to maintain a safe and appropriate environment. Therefore, the following activities and behaviors are strictly prohibited:

2.1.1 Committing or attempting to commit any activity that would constitute a violation of any federal, state, or local criminal statute or ordinance.

2.1.2 Exhibiting disruptive or disorderly conduct or behavior that unreasonably disturbs patrons and staff and interferes with use and enjoyment of the facilities, including but not limited to:

   2.1.2 (1) Smoking or other use of tobacco anywhere inside the Rec Center or anywhere on the Urban Plaza.
   2.1.2 (2) Fighting or threatening actions.
   2.1.2 (3) Posing an unreasonable risk to health or safety, including but not limited to offensive personal hygiene that unduly disturbs others.
   2.1.2 (4) Using loud, obscene, or abusive language to patrons or staff.
   2.1.2 (5) Displaying overt sexual behavior or engaging in sexual harassment or other types of harassment (e.g., racism, hate speech, threatening speech or behavior, disrespectful behavior).
   2.1.2 (6) Misuse or vandalism of facility property or equipment.
   2.1.2 (7) Consuming any alcoholic beverage except at approved events. Alcoholic beverages, tobacco products and non-prescription drugs are not allowed in the facility.
2.1.2 (8) Displaying overt signs of alcohol or substance abuse that are accompanied by disruptive behavior.

2.1.2 (9) Unauthorized entry into building, offices, and work areas.

2.1.2 (10) Bringing in any items that create a hazard to others, or placing personal belongings so as to impede access to services. The following items are not allowed in the Student Rec Center:

1) Bicycles and shopping carts.
2) Skateboards, scooters unless it is a medical device.
3) Guns/ammunition or items which can be easily mistaken for weapons, such as black water pistols, plastic nun-chucks, or an empty pepper spray container.
4) Bringing pets into the Student Rec Center (assistance animals are always welcome).

2.1.3 Personal private contract work, i.e., swimming lessons, personal training, and/or fitness workouts of any kind, are not permitted at the Rec Center. Anyone interested in receiving private instruction should contact Member Services for proper registration procedures.

2.2 Assumption of Risk

Prior to entering the Rec Center, you must sign an electronic waiver in order to use the facility and/or participate in its programs. You only have to sign this electronic waiver one time. Participating in programs and services sponsored by Campus Rec at Portland State or activities inside the Rec Center inherently involves risk of property damage, bodily injury, or possible death. All Rec Centers users are responsible for reviewing the electronic waiver located on the Campus Rec website. Use of the Rec Center acknowledges the terms and conditions in the electronic waiver. Campus Rec Programs may require a medical screening, physician’s clearance, or additional releases prior to participation. Any injuries, accident, or equipment failures must be immediately reported to Campus Rec staff.

2.3 Inclusion and Accommodation

Campus Rec’s intention is to be fully inclusive and provide a variety of accommodations for equal access to the facility and the programs. PSU is committed to reasonably accommodating people with disabilities in compliance with applicable state and federal laws and regulations. Requests for accommodations will be evaluated on a case-by-case basis in accordance with applicable laws and regulations.

Participants in Campus Rec programs and activities are permitted to participate in alignment with the person’s self-identified gender. Participation in competitive Sport Club or Extramural activities will be resolved on a case-by-case basis based on applicable National Governing Body Policies. Any other issue will be resolved on a case-by-case basis in consultation with the Portland State University Queer Resource Center.
2.3.1 Inclusive Restroom and Locker Room Usage

Campus Rec follows the Portland State University non-discrimination policy, which includes gender identity as a protected class. Patrons of the Student Rec Center are welcome to use the locker room and restroom space where they feel most comfortable, and that corresponds with their gender identity. An individual's gender identity is not always consistent with what some people expect to see in traditional physical presentation or appearance. This can include clothing, hairstyles, make-up and/or body parts. All students and patrons retain the rights of privacy as well as physical and emotional safety. Campus Rec encourages anyone who is not comfortable using the locker room under these conditions to use one of our Universal Changing Rooms located near the pool.

2.4 Non-Discrimination

Discrimination or harassment on the basis of age, disability, national origin, race, color, marital status, veteran status, religion, sex, sexual orientation, genetic information or in the use of Worker's Compensation, Federal Family Medical Leave Act, or the Oregon Medical Leave Act is strictly prohibited by PSU policy.

In any case of perceived discrimination the Portland State University Office of Equity & Compliance:

1) Investigates complaints of prohibited discrimination and harassment.
2) Ensures compliance with federal and state equal opportunity laws and regulations.

2.5 Facility Access/Identification

A current valid PSU OneCard or PSU ID Badge, with your photograph on it, is your pass into the Rec Center. A current valid government-issued photo ID such as a driver's license or passport may also be used to access the facility. Attempting to enter the facility using false identification or by other means will result in card confiscation and/or suspension of facility access privileges.

2.6 Attire and Footwear

Glass of any kind is not allowed inside the pool area or facility. Gum must be disposed of in a proper manner.

2.10.4 For Commercial Use

- Please contact Marketing & Outreach Coordinator Brittany Goltry at bgoltry@pdx.edu or 503.725.2301 with commercial photography/videography requests. All commercial requests will be coordinated and approved in collaboration with Portland State’s Office of University Communications.
2.11 Sales, Solicitations, and Advertising
Campus Rec does not offer space for printed materials at the facility. The main intention of Campus Rec is to provide a space that is limited in distractions to give students a place to retreat and prioritize their own health and wellness. Alternatively, another option is available for groups to market their activities, events, and programs inside the Rec Center through the use of our digital TVs located on each floor.

2.11.1 Should the group wishing to advertise meet the following criteria, they may submit an advertisement for the TVs.
- The group wishing to advertise must either be a SALP student group or department on campus. We do not allow outside groups that are not directly working with a PSU student group or department to advertise in the Rec Center.
- The request must be made at least 10 business days prior to the event date. Exceptions granted by the Executive Director.

2.12 Space Reservations
A request for space is at the discretion of Campus Rec. To inquire about reserving space in the Rec Center, a Space Reservation Form must be completed.

Campus Rec staff will review all submitted information and determine the possibility of hosting the event, tabling, meeting or practice on a case-by-case basis. All events must be directly related to the purpose of the organization or club making the reservation. Additionally, the activity performed with the event should correlate with the intended purpose of the space.

Campus Rec is dedicated to leaving time and space available for member use and can restrict the number of events that the facility will host. All groups reserving space must be associated with Portland State University.

Student Organizations
- The Student Organization must be in good standing with their advising organization.
- The reservation must be endorsed by the advisor to the student organization.
- The activity must be inclusive, active and participatory in nature.
- Student organizations are allowed to make reservations for a total of 4 hours a week. Three hours max at any one time.
- Reoccurring weekly reservations doesn’t allow non-members of the Rec Center access to space.
- Guest passes can be purchased at Member Service for members of the organization who are non-members of the Rec Center.
- If a one-time event is intended to engage the Portland State University community, Campus Rec professional staff can discuss with the organization’s advisor about the possibility of allowing non-members of the Rec Center to enter, spectate, or participate.
- When the student organization is provided the area free of charge, the organization is not allowed to charge for participation in the event. Fundraising exceptions will be
considered with communication between the organization and Campus Rec professional staff.

2.13 Outside Vendors
Campus Rec currently partners with outside (non-PSU affiliated) companies and organizations on a case-by-case basis. Often this will require a contract request submitted to our Business Services department as per an agreement received by the company or organization. The terms are determined in advance through collaboration between Campus Rec and the company or organization.

2.14 Closures
The Rec Center will be closed at least two full weeks per calendar year for regularly scheduled and recurring maintenance. These closures will take place usually in late August or early September and around the winter holidays. Holiday closings and changes to building operational hours will be posted on the web page and throughout Campus Rec. Campus Rec is also closed for all days the University closes.

2.15 Inclement Weather
The Rec Center always closes and delays opening when the university does so due to inclement weather. Since the Rec Center may operate earlier or later than the university's decision-making process, delayed openings and early closures may happen independently of university closures. If inclement weather is anticipated, a delayed opening will be announced on pdx.edu/recreation by 10:30 p.m. the night prior. Weekday delayed opening time is 8 a.m. However, any university decision to close or delay operations will override this time. Weekend delayed opening times will vary. Early closures will be announced on pdx.edu/recreation as soon as they are determined. Closures will be communicated via social media and email when possible. The best place to find closure announcements is always pdx.edu/recreation. Our top priority is ensuring the safety of our staff and guests. We appreciate your patience during any inclement weather closures.

Plus One members receive all current member benefits excluding Rec Club participation. A student/staff/alumni may have ONE Plus One member added to their account per academic year: July 1st – June 30th. This person does not need to be PSU affiliated beyond their sponsor. Campus Rec cannot lend anything to individuals and organizations that are not affiliated with Portland State University. Contracts with different terms and conditions must be signed.

3.3 Lost, Damaged, or Stolen Items
Campus Rec is not responsible for lost or stolen items. Personal belongings are not permitted in activity areas and must be kept in a locker or designated areas. Campus Rec operates a lost and found where items can be inquired about at the Member Services desk. Due to the high volume of lost and found items, Campus Rec only keeps items for up to 4 weeks. After 4 weeks items are donated or removed from the building. Contents from day use lockers that were not cleared out by closing each night or an expired long term locker will go through the lost and found process. Items being claimed by a patron will need to be described thoroughly and accurately. Any items that have a perceived value of $50.00 or more will be turned over to the Campus Public Safety Office.

3.4 Locker Room and Lockers
Campus Rec reserves the right to check lockers for unreturned towels, equipment, and to resolve safety/security concerns. Members will be notified should this occur. All lockers are the property of Campus Rec. A fee will be assessed for locker damage caused by negligence or abuse. Secure personal items in the locker room. Campus Rec is not responsible for lost or stolen items.

Children 5 and under are allowed in the opposite gender locker room. It is encouraged that families and children use the Universal Changing rooms located next to the pool.

3.4.1 Daily Use Policy
Day use lockers are available at no charge on a first-come/first-served basis. Members must remove all items in day-use lockers when they leave the Student Rec Center. Personal locks must be used for day-use lockers inside the locker room; locks are available for purchase. Personal locks may NOT be left on day-use lockers overnight. Campus Rec is not responsible for locks cut off during this procedure. Any lock that is attached to a Day Use Locker at closing of the Student Rec Center will be removed by Campus Rec Staff. All contents of that locker will be sent through the Lost and Found process created by Campus Rec.
3.4.2 Personal Locks
If keys, credit cards, or identification exist in a locked Day Use Locker, Campus Rec staff will be permitted to cut the lock if the owner is unable to remove it. The patron requesting the cut, will need to identify all contents of the locker or be able to show identification was locked inside the locker. If there are not keys, credit cards, or identification inside the Day Use Locker, Campus Rec will not cut the lock until closing. The patron will need return at closing when the lock will be cut or return the next day. If patron is not present when the lock is be cut the contents of the locker will be sent through the lost and found process. We will not cut a personal lock on a day use lock without the approval from the owner of the lock or upon closing of the facility.

3.4.3 Accidental Locks
Rec Center patrons are strongly encouraged NOT to just store belongings in an unlocked Day Use Locker. There is a potential that another patron could fix a lock to that same locker thus separating the locker contents from the owner who left belongings in the previously unlocked locker. If a patron needs to gain access to belongings in a Day Use Locker that is locked by a lock that they do not own, the patron will need to wait until either the lock is removed by the rightful owner or closing when the lock will be removed by Campus Rec staff.

3.4.4 Long-Term Lockers
A bank of lockers in both the Men’s and Women’s Locker rooms are designated for Long-Term use. These lockers as well as our Universal lockers are for those needing a Long-Term or inclusive locker. Long term lockers can be purchased for a monthly fee.

3.4.5 Impounding
It is a patron’s responsibility to renew their locker by the expiration date. After the expiration date, the locker is subject to impound. Items impounded from a locker will be held up to 4 weeks. Any items after this period will be donated. Courtesy calls and e-mails will be sent to patrons whose lockers will expire within the week of their expiration. If a locker is still not renewed by the date established in the courtesy calls and emails (normally 48 hours), the locker will be impounded and released.

3.4.6 Towel Service
Users are encouraged to bring their own towels. Towels can be rented for a monthly or day-use fee.

3.4.7 Showers
Do not leave water running in shower area after you are done. Dry off in shower area. Wet floors in the locker room may be slippery. Please watch your step.

Any youth wanting to swim apart from his/her parent/adult guardian or in the deep end of the pool will be required to successfully complete a swim test.

Our swim test consists of:
