Initials ______ I understand that I am responsible for the payment of <u>all</u> tuition and fees not covered by my GI Bill[®] disbursement or in the event I find I am not eligible for Chapter 33 benefits, or if I do not elect the correct date for benefits to start.

Initials ______ If I am not awarded 100% I will pay my portion or make payment arrangements with PSU by the payment deadline as per term dates. Failure to do so will result in a late fee and a hold on future registration. I understand I will not be allowed to register for any further term until all financial obligations to the college are paid.

Initials ______ Yellow Ribbon funds are available to all **non-resident** students with a 100% rating who provide a Certificate of Eligibility indicating that they are eligible to participate in the Yellow Ribbon Program. You will be automatically enrolled in the Yellow Ribbon Program if you meet these criteria.

Initials ______ Housing Allowance: You will be paid your housing stipend based on your rate of pursuit-number of credit hours.

Initials ______ Tuition and Fees: Chapter 33 will pay a percentage of your tuition and fees for courses that meet degree requirements in your educational program on file with the PSU Veterans Office based on the time you spent on active duty after September 10, 2001. The percentage will vary from 40% to 100%. Percentage will be listed on your COE. You <u>MUST</u> submit a copy of your COE OR TOE once you receive it during your first semester.

Initials ______ If you withdraw from or stop attending class(es), **you** may be required to pay the VA back the tuition and fees, living stipend and book allowance for the hours you drop. You must inform the PSU Veterans Office of any changes in your schedule.

Initials ______ If you receive failing or non-punitive grades ("F","X","NP") <u>you</u> may be required to pay the VA back the tuition and fees, living stipend and book allowance for the course(s) in which the grade(s) are received.

Initials ______ Book Stipend: The book stipend will be paid to you at the beginning of each term and will be based on your benefit percentage and the number of credit hours you are certified by the PSU Veterans Office.

Initials ______ In the event of nonpayment of your portion, we will refer your account to a collection agency. A negative report reflecting on your credit record may be submitted by that collection agency. If you default on your payment(s), the total amount you owe may become due immediately. You will be required to pay ALL collection and or legal fees incurred in the process of collection of the outstanding debt you owe.

By signing below, I understand my reporting and payment responsibilities under Chapter 33. I understand that this is a legal and binding contract and agree to pay any outstanding amount that may be owed. I understand I must submit a Certificate of Eligibility to the PSU Veterans Office upon receipt from the VA. This contract will be in place as long as I attend PSU.
