

## Consent for Overload

### FOR UNDERGRADUATE AND POST-BACCALAUREATE STUDENTS

Students wishing to enroll in 22-25 credit hours are considered to be in academic overload and must complete this form (including academic adviser's signature) and submit it to the Office of the Registrar. PSU audit credit and transfer credit taken at other institutions while concurrently enrolled at PSU are counted in determining overload status. Students wishing to enroll in 26 or more credit hours must petition the Academic Requirements Committee. Transfer credit that result in an overload for a given term will not be accepted in transfer unless prior approval has been granted.

#### To be Completed by Academic Adviser

I have reviewed this student's academic record. The student has an acceptable record of course completion and is, in my judgment, capable of handling an overload. I approve the student's request for course overload.
