ONLINE BUSINESS DEGREE
SUPPLY & LOGISTICS MANAGEMENT
PART TIME | FULLY ONLINE | THREE YEARS

BE IN THE CENTER OF IT ALL
Join a global enterprise that begins with sourcing raw materials and ends with delivering the final product to consumers. Graduates work in planning, sourcing, manufacturing, and delivery/logistics at companies like Boeing, Blount, Tektronix, Intel, Daimler, Oracle, just to name a few.

WHY PORTLAND STATE?
Our program is delivered fully online with a focus on critical thinking, project management, teamwork, and sustainable and ethical business practices.

Students travel through the course sequence together from start to finish, offering the assurance of predictability along with the flexibility of online learning.

Real time coursework offers a high touch online learning environment, allowing students to build lasting networks beyond graduation.

PROGRAM AT A GLANCE
• 72-credit, part-time, three-year bachelor's degree program designed for students to complete their upper division business requirements with a concentration in supply & logistics management
• Guaranteed time to degree; no registration hassles
• Real-time video conferencing with classmates and faculty along with professionally produced course content
• ePortfolio and professional development starting year one

PROGRAM REQUIREMENTS
Candidates who have completed 90 transferable quarter (60 semester) credits, including all pre-business courses*, with at least a 3.0 overall GPA are automatically eligible for admission.
If you do not meet one or more of the above requirements, please contact us to discuss your options.
*Visit pdx.edu/sba/online for a list of pre-business courses.

ESTIMATED TUITION & FEES
In-State: $248 per credit hour ($1,980 per term)
