Quarter & Year: FALL 2014

15998 MTH 251 PA4 Calculus I Shibley 4

CRN SUBJECT CRSE # SEC. TITLE INST. CREDITS

Important Deadlines:

Registration and payment due to Rex Putnam High School Challenge instructor: September 19, 2014
Last day to drop classes without a W (dropped courses are not recorded on transcripts): October 31, 2014 (no refund)
Last Day to withdraw from classes (course is recorded on transcript as W): December 5, 2014 (no refund)
Student Agreement:

I understand that I am applying to take a college course through the PSU Challenge Program and that I am responsible for and accountable to meet the requirements and deadlines of the course. I am aware that any grade awarded will become part of my permanent college record. An official transcript recording my coursework at PSU will be available by request upon completion of the course.

Signature of applicant

Parent/Guardian Permission

I grant permission for the applicant listed above to apply to the PSU CHALLENGE PROGRAM offered at Rex Putnam High School. I understand that there is a fee associated with this program of $230.00 per 4-credit course and that the program fee is not refundable. Further, I understand that Federal laws governing colleges and student privacy PREVENT PSU from discussing the applicant’s coursework with anyone but the applicant.

Signature of parent or guardian

Payment Information:

Payment is due with registration. Please attach a check to this registration form, payable to Portland State University, and return to Mr. Shibley by September 19, 2014.

Calculus is mapped to the high school fall semester, earns 4-credits, and requires payment only once.

PSU ID Number:

Once registration is processed, a student is sent a card in the mail that resembles a credit/debit card and serves as such upon activation. We DO NOT recommend activation of this card for our high school students. Rather, we suggest the student either keep the card for easy reference to their PSU ID number (on the very bottom left side, with nine digits beginning with the number 9) or record the number somewhere that is handy. This number is important for accessing online student records, ordering transcripts, using the library, etc.

We recommend copying this form for your records.
