The Faculty Governance Guide is provided to facilitate faculty governance. It contains the Constitution of the Portland State University Faculty, and operating procedures and deadlines for Faculty Senate and its standing committees, and the Interinstitutional Faculty Senate Constitution. The Guide includes the rosters of Faculty Senate, fourteen constitutional and twenty-five all university administrative committees, and PSU’s Interinstitutional Faculty Senators. The Guide is updated quarterly on the PSU Web Page where it is listed under Faculty Senate and Office of Academic Affairs pages, “Reference Documents.” To inquire about student appointments, or confirm other listings or text since the most recent publication, please contact the Secretary to the Faculty.

Membership in the PSU Faculty was for many years determined by academic rank, to include full-time faculty at the rank of Instructor or above. In 1994, the ranked faculty amended the Constitution, redefining PSU Faculty to include all full-time faculty holding, at a minimum, an earned Master’s degree. All such individuals are entitled to participate in faculty governance with the exception that Ex officio members of the faculty may not serve in the Faculty Senate or on constitutional committees.

Meetings of the PSU Faculty are called by and presided over by the President, who is chairperson of the Faculty (Art. IV, Sec., 1.). Each academic year, certain regular meetings of the faculty take place, including Convocation and Graduation, and other meetings may be convened by the President as needed. Additionally, a meeting of the PSU Faculty may be called by written request of 7.5 percent (86) faculty members (Art. IV, Sec. 3). Until the mid-1960’s the faculty met routinely as a whole to execute governance responsibilities, but Portland State’s growth meant the continuing expansion in size and scale of faculty governance. The faculty determined at that time that regular business of the faculty be conducted through a representative body, the Faculty Senate, and accordingly amended the Constitution.

The PSU Faculty Senate meets regularly, on the first Monday of every month during the academic year at 3:00 p.m. in Cramer Hall 53, and if the Agenda is not concluded, the meeting is continued to the following Monday. The Constitution also provides that a special meeting of the Senate may be called upon written petition by five Senate members (Art. V, Sec. 3.3) Any member of the faculty may propose agenda items to the Presiding Officer, for consideration by the Senate Steering Committee. The Constitution provides that the Senate must consider any agenda item proposed by petition of 10 percent (115) of the faculty (Art. IV, Sec.6). Faculty Senate meetings are open to the public, and all faculty are cordially invited to attend.

Elections for the PSU Faculty Senate, the Advisory Council and the Interinstitutional Faculty Senate are conducted simultaneously in May of the academic year. In February the roster of faculty eligible to participate in faculty governance is reviewed and certified according to Constitutional provisions. Faculty who are certified and serve at below the rank of Dean are notified of their eligibility to stand for elective office by the Faculty Election Eligibility form, and are requested to provide return notice if they are unable to serve. In April, lists of faculty eligible and willing to run for election to Senate, Advisory Council and IFS are provided to all faculty for nomination purposes. On completion of the nomination process, ballots are distributed for Advisory Council and IFS, and by divisions for Senate. Runoffs are conducted where necessary.

The foundation of effective faculty governance is the committee process. Constitutional committees report to the Faculty Senate, administrative committees report to the President, and ad hoc committees report as assigned. Recommendations for action pertaining to any area of faculty jurisdiction (Art. III., Sec.1), may be made to the Senate by any all-university faculty committee, as well as by the Advisory Council or PSU’s Senators to IFS. One committee is made up entirely of members of the Faculty Senate, the Committee on Committees, and it is elected by caucus of their Senate divisions. The Committee on Committees determines all faculty appointments to constitutional committees, and makes nominations to the President for faculty appointments to most administrative committees. The Advisory Council nominates faculty memberships for ad hoc presidential committees. In order to determine faculty interest in specific committee service, the Faculty Committee Preference Survey is conducted each Spring quarter. Between annual surveys, faculty may indicate new interests or update availability by contacting the Secretary to the Faculty. Committee schedules and proceedings are administered by the respective chairs and faculty who would like to observe meetings should contact the appropriate Chair for details.

Please feel free to contact me for inquiries and concerns related to faculty governance. The Secretary’s office is in the Office of Academic Affairs, Market Center 850F (Mail code: OAA), and I may be reached by telephone (5-4416), facs (5-5262), or e-mail (andrews@pdx.edu).

PREAMBLE
To ensure the orderly development of our educational programs and policies; to facilitate communications and cooperation among our officers of administration and ourselves as a university faculty; and to promote the stable growth and continued improvement of higher education in the State of Oregon, we, the Faculty of Portland State University, do hereby subscribe to this document as a constitutional statement of our Faculty organization and its various functions and responsibilities.

ARTICLE I. NAME.
The organization herein defined shall be known as the Portland State University Faculty, or the Faculty.

ARTICLE II. MEMBERSHIP OF THE FACULTY.
The Faculty shall consist of the Chancellor, the President of Portland State University, and all persons who hold State Board appointments with the rank of professor, associate professor, assistant professor, or instructor, and whose full-time equivalent is at least fifty percent teaching, research, or administration at Portland State University. Unclassified members of Portland State University who are certified by the Provost to have academic qualifications sufficient to justify appointment at one of the above mentioned ranks and whose full-time equivalent is at least fifty percent teaching, research, or administration at Portland State University shall also be included in the faculty regardless of title. The University Faculty reserves the right to elect to membership any person who is employed full-time by the Oregon University System.

ARTICLE III. FACULTY POWERS AND AUTHORITY.
Section 1. Faculty Powers.
The Faculty shall have power, subject to legal limits, to take action to promote faculty welfare. The Faculty shall have power to act upon matters of educational policy, to enact such rules and regulations as it may deem desirable to promote or enforce such policies, and to decide upon curricula and new courses of study. This power shall include, but not be confined to, action upon the establishment, abolition, or major alteration of the structure or educational function of departments or of programs which include more than one department or instructional unit of the University. The Faculty will normally exercise this power through its representative, the Senate. The Faculty shall, however, have the appellate power to review all actions by the Senate, whenever an appeal is made from Senate action as hereinafter provided.

In all matters, except those granted to the Senate, the Faculty shall have original jurisdiction. Whenever the Faculty is acting within its province as herein designated, its actions shall be effective unless they involve an increase in the expense of instruction or administration. Whenever such an increase is involved, whether by action of the Faculty or Senate, the President shall report the action to the Chancellor of the Oregon State Systems of Higher Education with his or her recommendations.

University-wide academic requirements shall not be suspended or modified without prior consideration by the Faculty Senate. In an emergency, the Academic Requirements Committee and/or
the Graduate Council; the Advisory Council, and
the Presiding Officer of the Senate shall first be
consulted. Notification of any change made shall
be submitted to the Senate immediately with a
request for ratification.

The University shall not establish, abolish, or
effect major alteration in the structure or educa-
tional function of departments or of programs,
including those of more than one department or
academic unit, without prior action by the Faculty
Senate upon advice of the Educational Policies
Committee.

Section 2. Faculty Authority.
The authority of the Faculty is based upon the
need for appropriately shared responsibility and
cooperative action among the components of the
academic institution and upon law and the Ad-
ministrative Rules of the Oregon State System of
Higher Education. The principle of shared author-
ity is based upon the recognition that important
areas of action involve at one time or another the
initiating capacity and decision-making participa-
tion of all the institutional components, and that
differences in the weight of each voice, from one
point to the next, should be determined by refer-
ence to the responsibility of each component for
the particular matter at hand. The Faculty has
primary responsibility for such fundamental areas
as curriculum, subject matter, and methods of in-
struction, research, faculty status, and those aspects
of student life that relate to the education process.

Section 3. Faculty Authority in the Selection of
Higher Administrative Officers.
The selection of principal administrative officers
above the departmental level shall normally involve
the active participation of representative Faculty
committees; these may be augmented by student
and community membership as judged appropri-
ate by the appointing authority. Prior to the creation
or abolition of a principal administrative office, the
Advisory Council shall normally be consulted by
the President, and the Council may ask for wider
Faculty consideration.

Section 4. Faculty Authority in the Selection of
Department Chairpersons.
The Faculty of each department shall elect its
chairperson. The Faculty shall decide, by secret
ballot of all full-time members (0.5 FTE or more),
the mode of election. The procedures shall be
published and filed with the Office of Academic
Affairs. They shall be implemented by April 15
of the department chair’s third year in office and
otherwise upon the occurrence of a vacancy in the
office of department chairperson. Any revisions of
the procedures must be made and filed at least one
month before an election.

The department shall forward the name of its
choice to the appropriate dean, who shall promptly
review it and forward it the Provost, who shall
promptly review and forward it to the President.

The dean and the Provost may attach com-
ments concerning the ability and willingness of the
elected chairperson to carry out the duties of that
office.

If the President agrees with the department’s
choice, then the elected chairperson shall be ap-
pointed. If the President has substantive reasons for
not making the appointment, a written explana-
tion shall be given to the department and a recon-
sideration requested.

Within two weeks, the department shall con-
sider again its choice of chairperson and shall for-
ward promptly its decision to the dean, who shall
promptly review it and forward it to the Provost
for review and transmission to the President. If the
department has elected another person than the
one originally elected, the President shall proceed
as with the previous election.

If the department elects not to alter its choice,
and the President still will not accept the depart-
ment’s choice for chairperson, then the matter shall
be submitted promptly to the Advisory Council for
mediation. If mediation is unsuccessful in achiev-
ing a resolution satisfactory to both the depart-
ment and the President, then the department shall
conduct another election to select another person.

The department chairperson shall serve a stated
term of three (3) years. Eligibility for re-election
shall be determined by departmental procedures.

ARTICLE IV. ORGANIZATION OF THE
FACULTY.

To ensure proper consideration, the agenda for meetings of the Faculty shall be announced to all Faculty members at least two days in advance of the meeting. Section 1. Membership.

1) Ex-officio Members
a) The President, the Provost, all Vice Presidents; all Deans; the Director of the Library; all Vice Provosts; all Assistants to the President; the Secretary to the Faculty; a representative of the retired faculty association; and the Student Body President of the Associated Students of Portland State University shall serve as ex-officio members of the Senate. Ex-officio members shall have full rights of discussion and making of motions but shall not have the right to vote. These Ex-officio members are not eligible to become elected members.
b) The chairperson of constitutional committees and representatives to the Interinstitutional Faculty Senate shall serve as ex-officio members of the Senate. Ex-officio members shall have full rights of discussion and making of motions but shall not have the right to vote. These Ex-officio members are not eligible to become elected members.

2) Elected Members. Elected members of the Senate shall be chosen from the members of the Faculty. Representation shall be proportional by division. Elected members shall have full right of
discussion, making of motions and voting. For the purpose of representation, the word “division” shall mean any school or college, the Library, Other Instructional Faculty, and All Other faculty jointly as a single entity; the term “instructional division” shall mean any school or college, and Other Instructional Faculty. Faculty who are involved in programs that are not within an instructional division shall be attached as groups to an appropriate school, college or instructional unit. (See Article V, Section 2, Paragraph 1.)

3) Alternates. Each elected member of the Senate is expected to attend its meetings regularly. However, before the first meeting of the fall term each senator shall designate in writing to the Secretary to the Faculty an alternate who shall serve in the senator’s absence with full rights and powers. A senator may change his or her alternate at any time by so informing the Secretary in writing. A senator who takes a leave of absence or sabbatical leave for one academic year or more must resign his or her Senate seat, which shall be filled in accordance with Section 2, Paragraph 5 of this Article.

Section 2. Election of the Senate.
1) Determination of Divisional Representation. By the first Monday in March of each year, the chief administrative officer of each division (see Article V, Section 1, Paragraph 2) shall report to the Secretary to the Faculty the name of each faculty member, and the number of full-time equivalent faculty assigned to each division. At the same time, names of regular faculty and the number of full-time equivalent faculty in programs not in any instructional division shall be reported by the chief academic administrative officer and the vice presidents, or their designees, to the Secretary to the Faculty. These Faculty shall be assigned by the Senate Steering Committee to divisions as prescribed in Article V, Section 1, Paragraph 2. The Secretary to the Faculty, under the supervision of the Senate Steering Committee, shall then determine the number of senators to be allocated to each division, apportioning one senator for each multiple of ten full-time equivalent faculty with an additional senator for any remainder of 5.0 or more full-time equivalent faculty. Any division with fewer than ten full-time equivalent faculty shall have one senator. A newly instituted division shall elect its senator(s) in the next regular senate election.

2) Nomination. Six weeks prior to the date of Senate elections, the Secretary to the Faculty shall obtain from each divisional administrative officer an approved list of the faculty members assigned to the division. This list will be circulated with the directions that any potential candidate may delete his or her name if s/he does not wish to be a candidate for a Senate position. No later than four weeks before the Senate election, the Secretary to the Faculty shall submit a list of eligible candidates to every faculty member in the divisions, and request the nomination of a number of names equal to twice the number of Senate vacancies occurring in that division at the end of the school year. The total number of nominees shall equal twice the number of Senate vacancies in that division. Those persons on this ballot who are named the greatest number of times shall be the nominees. All persons tied for the final position shall be declared nominees.

3) Election. On the last Monday in April the Secretary to the Faculty, under the supervision of the Senate Steering Committee, shall mail ballots containing the names of final nominees for Senate election to faculty members of the respective divisions. Each divisional faculty member shall vote for no more than a number of candidates equal to the number of Senate vacancies occurring in his or her division for that year. The person or persons receiving the greatest number of votes shall be elected. In case of ties for the final position, run-off elections shall be held.

4) Terms and Limits of Membership. Senate members shall be chosen for three-year terms except when (1) Senators are being elected to represent a newly created division, or (2) it is necessary to arrange terms so that approximately one-third of a division’s Senators shall be elected each year. In these two cases, a faculty member in the said division receiving the largest number of votes will be elected to three-year terms, and those with the next highest number of votes will be elected to two-and one-year terms as necessary to provide that approximately one-third of the Senate shall be elected each year. The Secretary to the Faculty shall inform each division as to the number of vacancies and length of term of each position to be elected each year.
No member shall be eligible for re-election until one year has elapsed following his or her term of office or resignation. No person shall be eligible to represent more than one division.

5) Interim Vacancies. Interim vacancies that occur in the Senate shall be filled by appointment by the Secretary to the Faculty, who shall designate to fill the unexpired term with the non-elected nominees who in the immediate past Senate election had the greatest number of votes in the division in which the vacancy exists. An interim appointee shall be eligible for election at the end of his or her term.

Section 3. Organization of the Senate.
1) Officers and Their Duties. Upon delegation of authority by the President, the Senate shall choose its presiding officer in such manner as shall be prescribed in “Functions and Procedures of the Senate.”

The Secretary to the Faculty shall be the ex-officio Secretary of the Senate and shall keep all records of the deliberations and actions of the Senate for use by the President, members of the Faculty, the Chancellor, and members of the State Board of Higher Education. The Secretary shall send to each member of the Faculty within one week of a Senate meeting a summary of all actions taken by the Senate at that meeting.

2) Rules of Procedure. The Senate is empowered to make rules governing its own internal organization and procedures, subject to the following:
   a) A majority of elected members of the Senate or their alternates shall constitute a quorum for transacting business.
   b) All actions or recommendations of the Senate shall be by majority vote except as specifically required elsewhere in this Constitution.
   c) Voting shall be by secret ballot if requested by any five voting members of the Senate; otherwise, on all matters which the chairperson deems of University-wide importance, voting shall be by roll-call vote.

3) Meetings of the Senate. Regular meetings shall normally be held during the academic year on the first Monday of each month at 3:00 p.m. Special meetings may be held at the call of the President or upon written petition to the Secretary by any five members of the Senate.

Section 4. Authority and Functions of the Senate.
1) Authority. The Senate shall be subject to the same general legal limitations as the Faculty. Its authority shall not be construed as limiting the legal right of the President, the chief administrative officer of a division, as defined for purposes of representation, or the chairperson of a department to initiate changes in educational policy, curricula, or new kinds of work. However, no curricula offerings shall be established except with the approval of the State Board of Higher Education upon recommendation of the Senate and the President.

Whenever the Senate is acting within its proper province, its actions shall be effective without approval except that they shall be subject to appeal and review by the Faculty, as later herein provided.

2) Functions. The Senate shall:
   a) Determine requirements for admissions and for degrees.
   b) Act upon all new courses and curricula, changes in established curricula, and such new courses of study as involve consideration of educational policy or relations between divisions. The establishment, abolition, or major alteration of the structure or educational functions of departments or of programs which include more than one department or instructional unit of the University shall be construed as being within the meaning of this provision.
   c) Receive and consider reports from faculty committees and administrative officers, and take the appropriate action thereon within the scope of its authority.
   d) Encourage and conduct studies on matters of University policy.
   e) Make such rules and regulations as desirable to promote the interests and policies of the University.
   f) Establish such committees as necessary for the conduct of its business.
   g) Inform the Faculty concerning its actions and recommendations.

Section 5. Appeal.
All actions of the Senate shall be subject to review by the Faculty upon written request for an appeal submitted to the President by ten percent of the members of the Faculty. This appeal shall be made within fourteen days of the mailing date of
the summaries of actions of the Senate. Any such action appealed shall be reviewed by the Faculty at a meeting called by the President for that purpose, after all faculty members have been given a two-week period of notice of the meeting. When a valid appeal has been filed under this section, no further action may be taken on the appealed motion of the Senate until the Faculty has acted on the appeal.

**Section 6. Initiative.**
The Faculty may petition and secure consideration by the Senate of any appropriate matter upon written request of ten percent of its members. An item to be initiated shall be presented in writing to any member of the Senate, who shall, at the next meeting, give notice of the proposal to the Senate.

**ARTICLE VI. ADVISORY COUNCIL.**

**Section 1. Election.**
The Faculty shall elect, during spring term by secret ballot, three members of an Advisory Council of six members, from the membership of the Faculty other than ex-officio members of the Senate (see Article V, Section 1, Paragraph 1). The election shall be administered by the Secretary to the Faculty under the supervision of the Senate Steering Committee. The Secretary to the Faculty shall circulate a list of all eligible full-time faculty members to members of the Faculty with the directions that any potential candidate may delete his or her name if s/he does not wish to be a candidate for an Advisory Council position.

Names of current Advisory Council members, with the exception of interim appointees having served one year or less, are to be excluded, since no member may serve two consecutive regular terms.

No later than four weeks before the Senate election, the Secretary to the Faculty shall submit the list of valid nominees to every member of the Faculty and request the nomination of no more than six eligible candidates. The six persons named the greatest number of times shall be declared the nominees for election to the Advisory Council. All persons tied for the final position shall be declared nominees, and all nominees shall stand for election.

On the last Monday in April, ballots bearing the names of those nominees willing to serve shall be mailed to the members of the Faculty. Each member shall vote for no more than three candidates; ballots not so marked shall be declared void. The three persons receiving the greatest number of votes shall be elected.

In case of a tie vote for the final position or positions, an additional ballot listing only the nominees involved in the tie vote shall be taken. All such election procedures shall take place before June 1.

**Section 2. Date of Office Taking and Period of Service.**
All terms of office shall date from June 1, 1981, following the election of council members; each member shall serve for two years.

At the call of any two members, the new Council shall convene and elect a chairperson and a secretary from its membership.

**Section 3. Vacancies.**
1) Vacancies on the Advisory Council occur through voluntary resignation submitted to the President by the elected member, or by interruption of service to the Council through leave of absence or sabbatical leave for one term or more.
2) Vacancies occurring on the Advisory Council shall be filled through appointment by the Secretary to the Faculty, who shall designate that nominee not elected who in the immediate past Advisory Council election had the greatest number of votes. An interim appointee shall complete the regular term of office. An interim appointee having served one year or less shall be eligible for election at the end of his or her term.

**Section 4. Powers and Duties.**
The Council shall:
1) Serve as an advisory body to the President on matters of policy.
2) Serve the President as a committee on ad hoc University-wide committees.
3) Appoint membership of hearing committees and panels as required by the Administrative Regulations of the Oregon State System of Higher Education and the Faculty Conduct Code.
4) Perform those duties related to constitutional amendments, as described in Article VIII.
5) Upon its own initiative or upon the initiative of a member of the Faculty, the Senate, or the administration, give advice to the President on the mean-
ing and interpretation of this Constitution.
6) Conduct studies and make recommendations on matters of faculty welfare to be presented to the President and/or the Senate.
7) Report at least once each year to the Senate. It may report, with or without recommendation, on any legislation, or matters referred to it. This report may be unanimous or in the form of a majority and a minority report.

ARTICLE VII. ELECTION OF THE INTER-INSTITUTIONAL FACULTY SENATE.
The Faculty shall elect during spring term by secret ballot one institutional representative and two alternates to the Interinstitutional Faculty Senate, from the membership of the Faculty other than ex-officio members of the Senate. The election shall be administered by the Secretary to the Faculty, under the supervision of the Senate Steering Committee, concurrently with the selection of the Advisory Council, and according to the same procedures as described in Article VI, Section 1. The person receiving the highest number of votes shall be appointed to serve a three-year term. An interim vacancy shall be filled by appointment by the Secretary to the Faculty who shall designate the non-elected nominee with the greatest number of votes to fill the unexpired term. An additional vacancy shall be filled by the third finalist.

ARTICLE VIII. AMENDMENTS.
This Constitution may be amended by the members of the Senate. Notice of a proposed amendment must be accompanied by the signatures of ten elected members of the Senate and must be filed with the Secretary to the Faculty with a request that the agenda of the next Senate meeting, regular or special, include presentation of amendments. The Secretary will include in the announcement of the agenda either the text of the to-be-proposed amendments(s) or a summary of the revision of the amendment(s).

The proposed amendment, if then introduced at the meeting, is subject to debate and modification by majority vote. After opportunity for debate and modification, the resulting version, whether or not modified, of the proposed amendment will then be transmitted by the Secretary to the Faculty to the Advisory Council, which shall review the proposed amendment for proper form and numbering. The Advisory Council will return the proposed amendment to the Secretary to the Faculty prior to the next regular meeting of the Senate. At that meeting the presiding officer shall submit the amendment to the Senate for debate and consideration of final passage.

A two-thirds majority of those present and voting shall be required for passage of an amendment to this Constitution. After this vote a mail vote of the entire Faculty may be requested by one-fourth of the members of the Senate present, and if this vote is taken, a two-thirds majority of returned ballots is necessary for passage.

All amendments to this Constitution adopted by the Senate without referral to the entire Faculty shall take effect after the Faculty has had an opportunity to exercise its rights to appeal Senate actions as set forth in Article V, Section 5.
THE PORTLAND STATE UNIVERSITY
FACULTY SENATE

A. FUNCTIONS AND PROCEDURES OF THE FACULTY SENATE

Article V of the Faculty Constitution describes Senate membership, election procedures, organization, authority and functions (pages 7-9). Within certain limitations, the Senate is empowered to make rules governing its own internal organization and procedures. The following revised statement of “The Functions and Procedures of the Faculty Senate” was approved at the meeting of May 5, 1973:

Meetings
As required by the Portland State University Faculty Constitution, the Faculty Senate meets normally on the first Monday of each month during the academic year. All Faculty members may attend Senate meetings as visitors; Senators may request privilege of the floor for visitors at meetings. Special meetings during the academic year may be held at the call of the President of the University, the Senate Steering Committee, or upon written petition to the Secretary by any five members of the Senate. Summer meetings of the Senate may be called during the eight-week term by the Steering Committee, with at least two academic days notice being given Senators before each meeting.

Alternates
The Constitution requires that prior to the first Senate meeting each academic year elected members must provide the Secretary with the name of an alternate who will be empowered to represent the member on occasions of absence and who will have full privileges of membership under those conditions. Senators, to facilitate the holding of summer meetings, are expected also to submit names and addresses of summer alternates (as well as their own summer addresses) to the Secretary by June 10. A senator may change his or her alternate at any time by notifying the Secretary in writing.

Resignation
The Constitution requires that a Senator who will be absent for one academic year or more must resign his or her Senate seat; the vacancy will then be filled by the Secretary to the Faculty according to the constitutional provision.

Presiding Officer
Upon delegation of authority by the President under Article V, Section 3, of the Faculty Constitution, the Senate shall elect each year at the last regular scheduled Senate meeting of spring term, a Presiding Officer who will chair all meetings of the Senate and its Steering Committee. The Presiding Officer must be a member of the Senate at the time of service. Following nominations by voice, election of the Presiding Officer shall be by secret ballot. If no candidate receives a majority of the votes cast on the first ballot, successive run-off elections shall be held among the leading candidates whose combined votes total at least 50 percent of the votes cast, until one candidate receives a majority of the votes cast. The Chair of the Committee on Committees is an ex-officio member of the Steering Committee.

Presiding Officer Pro Tem
The Presiding Officer Pro Tem shall preside in the absence of the Presiding Officer at all meetings of the Senate and its Steering Committee and be elected according to the same procedures as the Presiding Officer.

Secretary
As provided in Article IV, Section k, 2, of the Faculty Constitution, the Secretary to the Faculty shall be ex-officio Secretary of the Senate.

Steering Committee
After the election of a Presiding Officer and a Presiding Officer Pro Tem, the Senate shall elect four of its members to serve with the Presiding Officer, Presiding Officer Pro Tem, and Secretary, as the Steering Committee of the Senate. Following nominations by voice, elections of the four additional members of the Steering Committee shall be by secret ballot. If four candidates do not receive a
majority of the votes cast on the first ballot, successive run-off elections shall be held among the leading candidates whose combined votes total at least 50 percent of the votes cast, until four candidates receive a majority of the votes cast.

The Steering Committee shall meet prior to each scheduled meeting of the Senate. During the summer, the members of the Steering Committee who are on campus or in town will also be available to meet occasionally on Senate business.

The Steering Committee shall expedite the work of the Senate by:

a) Scheduling Senate action on committee work.
b) Referring problems to appropriate committees and coordinating the work of the different committees.
c) Assuring the Senate that agenda items submitted by Senate members and committees are properly prepared for Senate action.
d) Initiating motions for Senate referral to committees, or, where appropriate, for direct Senate action.
e) Making representation pursuant to Senate resolutions on educational matters and faculty interests to the State Board of Higher Education and other national, state and local government bodies. (In cases of urgency and in the absence of a Senate resolution on a policy matter at issue, the Steering Committee may make representations in the name of the Steering Committee.)

Agenda

The Constitution empowers the Senate to establish its own rules governing its agenda. The Senate has established the following rules for placing items on the agenda for regular meetings:

a) By the Presiding Officer at his or her discretion. Ordinarily the Presiding Officer will not place matters on the agenda which should have been brought before the Senate through routine means. The Presiding Officer’s prerogative in the matter is reserved for extraordinary circumstances which might require admission of unforeseeable matters to the agenda. It is not the normal function of the Presiding Officer to initiate Senate business or to relieve the Senate members from their obligations to present materials well in advance and after careful consideration. Senate members must conform to agenda rules in order to avail the body’s full membership of access to all details of proposals and motions sufficiently in advance to permit careful deliberation and consideration.
b) By notice of any member of the Senate in open meeting, providing that any two other members concur. This notice will appear in the minutes of the meeting which will be published by the Secretary.
c) By written notice of the chairperson of a faculty committee delivered to the Secretary by 12:00 noon seven calendar days after the prior Senate meeting, or after summer break, 21 calendar days before the meeting.

The agenda for special meetings will be published with the call for the meeting.

Except by a two thirds majority of the voting members present, motions may be made and votes taken only on those subjects listed on the agenda for the meeting.

In general, the Senate meeting agenda will be constituted with these elements:

a) Roll
b) Approval of Minutes of Preceding Meeting
c) Announcements and Communications from the Floor
   Discussion Item (optional)
d) Unfinished Business
e) New Business
f) Question Period
   1) Questions for Administrators
   2) Questions from the Floor for the Chair
g) Reports from Officers of Administration and Committees
h) Adjournment

Senate Mailing

The full agenda of the Senate meetings will be distributed eight to ten days before the meeting in order to give Senators a full week to study the documents and confer with their colleagues. The full mailing goes to regular members and all ex officio members of the Senate. Electronic copies of the agenda and minutes are posted at www.pdx.edu/faculty-senate.

Question Period

The Senate has adopted the following rules for this portion of the question period involving administrators:

a) Questions for administrators must be submit-

C. REPORTS AND PROPOSALS TO BE PRESENTED TO THE FACULTY SENATE
Persons wishing to bring matters before the Senate should contact the Presiding Officer or Secretary to request the items can be placed on the agenda. The agenda for meetings is finalized seven calendar days after the prior meeting, or, after summer break, on the Monday preceding the meeting by two weeks.

Reports and proposals are to be submitted in written form so that they can be included in the Senate mailing for the appropriate meeting. Final versions of all materials to be included in the Senate mailing must be in the office of the Secretary to the Faculty (MCB 850, ext. 5-4416), in electronic copies by the second Thursday after the prior Senate meeting. If the material is not received, the report or proposal will be eliminated from the agenda of the meeting.

Persons making regular or special reports or proposals to the Senate must meet with the Senate Steering Committee during their regular meeting, seven calendar days after the prior Senate meeting, (or after summer break on the Monday preceding the meeting by two weeks). The Steering Committee normally meets at 3:00 p.m. in the President’s Conference Room, CH 338.

Note: Pursuant to the Constitution of the Portland State University Faculty (Art. V, Sec. 1, 1) chairpersons of constitutional committees and representatives to the Interinstitutional Faculty Senate who are not serving as elected members shall serve as ex officio members of the Faculty Senate.
Faculty Governance Committees at Portland State are established either by the Faculty Constitution or by administrative action. (See the Faculty Constitution, Section 4 of Article IV, for additional general information on Constitutional Committees.) This Guide includes both “constitutional” and “administrative” committees that are regular or standing committees. It does not include ad hoc committees which may be established from time to time to serve particular limited functions.

During academic years 1974-75 and 1987-88 the Constitution was amended so that the Committee on Committees takes responsibility for nominating or appointing members for all standing committees, that is, all committees included in the Guide unless specifically excepted. The Advisory Council nominates members for ad hoc committees (See Faculty Constitution, Article VI, Section 4).

As an aid to securing interested and appropriate nominees, the Faculty Committee Preference Survey is distributed annually to all faculty to enable them to indicate those committees on which they would like to serve. Nominations, made by the Committee on Committees, are reviewed by the Council of Academic Deans and the Executive Committee. Appointments are made by the President for one-year terms of service beginning September 15, unless otherwise indicated.

From time to time university committees may have special matters they wish to bring before the Faculty Senate. Also, all constitutional committees are required to make annual reports to that group. Procedures for inclusion on Faculty Senate agenda and annual reporting dates for committees are discussed on page 12. It should be noted that when written reports, whether special or annual, are to be made to the Senate, it is the responsibility of the committee chairperson to submit copies of the committee report to the Secretary to the Faculty for inclusion in the Senate mailings as well as to arrange to meet with the members of the Senate Steering Committee prior to the Senate meeting.

GUIDELINES FOR CONSTITUTIONAL COMMITTEE

Guidelines for Constitutional Committees, adopted by the Faculty Senate on April 5, 1971, are as follows:

The following recommendations are intended to be general, helpful guidelines, whose application in each committee is to be broadened or narrowed or otherwise varied according to that committee’s particular needs and best judgment.

**General Information**

*Committee Size:* Small committees are preferable, since that tends to speed up the process, but for reasons of adequate representation, large ones can become necessary. Workloads, however, may make subcommittees desirable.

*Chairperson:* The chairperson’s chief function will be to bring out opinions by questioning, and then to develop a consensus statement. Formal votes need not be taken for every decision. The chairperson will ensure that the committee will establish working procedures, including agreement on a ‘quorum’ and selection of a secretary to draft the decision statements and the working preliminary, and final reports. These should be presented in the agenda in print, so they can be discussed, amended, polished, and approved. Work will be facilitated if the chairperson will see that the agenda include as many preliminary decision statements as possible in the form of working drafts. At his or her discretion, the chairperson may call meetings of voting members in executive session.

*Secretary:* The secretary will arrange meetings and schedule them at a time acceptable to all, if possible. He or she should notify all committee members of meetings. The minutes of each meeting should include a complete record of all decisions taken, not of the discussions and varied views expressed during the meeting. These minutes, agenda for future meetings, should be duplicated and dis-
tributed not only to committee members, but also to other persons and groups who may be interested in the decisions, which in many cases will include the dean of colleges and schools.

All Members: Committee members represent the colleges, the schools, the student body, and the Faculty in general as they participate in the decisions and actions of the constitutional committees.

Circumstances sometimes arise which make it impossible for a person to discharge his or her responsibilities as a member of his or her committee. For example, increased commitments cause a member to be regularly unable to attend meetings; this means that his and her area and his or her colleagues are unrepresented in that committee.

It is recommended, when a committee member finds himself or herself unable to serve effectively for any reason, that s/he consider resigning from that committee. Official resignation consists of written notice to the Office of the President and the Secretary to the Faculty.

Reports: The committee’s reports, although typically written by the chairperson, should represent committee consensus and should be prepared in time to allow committee consideration. When there is a division of opinion, the report should indicate the lack of consensus. If there is a strong division of opinion, the report should make room for a minority opinion, or at least be prepared in time for the minority to present its report at the same time as the committee report.
The **Academic Advising Council** promotes a positive and productive advising environment for advisors and students. Members will be responsible for reviewing the current status of advising and making recommendations on best practices regarding policies and processes related to academic advising campus-wide. Nominations for membership are made to the President by the Provost, in consultation with the Faculty. The council reports annually to the Provost and the Faculty Senate, and is scheduled to make its annual report to the Senate on April 5, 2010.
