People, Environment, and Political Change in Nepal

Lhakpa Norbu Sherpa (PhD)

Visiting Fulbright Fellow
School of Forestry and Environmental Studies
Yale University

Dr. Sherpa, resident and former Warden of Sagarmatha (Mt Everest) National Park, will address the complex connections among indigenous people, environmental change, and the intricate, volatile landscape of Nepal’s politics.

Tuesday, February 9th from 5 to 7 PM
418 Cramer Hall, Portland State University
