Morgaine, Carol A.............................................................25
Powers, Laurie E.................................................................27
Professors Emeriti
Anderson, Sandra C.................................................................36
Friesen, Barbara J.................................................................40
Shireman, Joan F.................................................................46

Associate Professors
Coleman, Daniel....................................................................49
Cotrell, Victoria....................................................................53
Jivanjee, Pauline....................................................................56
Keller, Thomas E....................................................................62
Miller, Paula J........................................................................67
Modrcin, Matthew J............................................................71
Nash, James K. ......................................................................73
Nissen, Laura B.......................................................................78
Rosenzweig, Julie M..............................................................84
Talbott, Maria M.....................................................................89
Vandiver, Vikki......................................................................92
Wahab, Stephanie..................................................................96

Assistant Professors
Anderson-Nathe, Ben................................................................101
Cahn, Katherine......................................................................105
Curry-Stevens, Ann...............................................................109
Donlan, William.....................................................................114
Holliday, Mindy......................................................................117
Hunter, Richard W.................................................................120
Leary, Joy DeGruy.................................................................123
Lee, Junghee.............................................................................131
Masterson, Ellen M...............................................................135
McBeath, Bowen.....................................................................137
Meinhold, Jana L.....................................................................142
Mike, Paula B.........................................................................147
Putnam, Janet..........................................................................149
Rhodes, Joy.............................................................................151
Sieverini-Held, Dana.............................................................154
Snyder, Susan.........................................................................156
Taylor, Michael......................................................................161

Senior Instructor

Bradley, Sarah........................................................................166

Instructors

Cole, Diane.............................................................................168
Dalton, Bonnie S......................................................................170
Edwards, Virginia M.............................................................173
Gioia, Samuel..........................................................................175
Reilly, Linda S.........................................................................177
Teller, Delores S......................................................................179
Theil, Gretchen........................................................................181
Adjunct Assistant Professors

Berman, Steven .................................................................................................................. 183
Fuks, David H. .................................................................................................................. 185
Linnman, Jennifer .............................................................................................................. 187
McCormick, Andrew J. ..................................................................................................... 189
Shindo, Ann A ................................................................................................................... 191
Spence, John ..................................................................................................................... 194

Adjunct Instructors

Adams, Shauna L. .............................................................................................................. 196
Allen, Heidi ....................................................................................................................... 198
Beckett, Catherine ........................................................................................................... 200
Casey, John T. .................................................................................................................. 202
Hartnett, Timothy ............................................................................................................. 204
Hedlund, Susan ............................................................................................................... 206
Mac Neill, Lauren M. ....................................................................................................... 209
Morgaine, Karen ............................................................................................................. 211
Muller, Anne W. ............................................................................................................... 214
Powers, Jennifer L. ........................................................................................................... 216
Race, Elizabeth ............................................................................................................... 218
Sandeen, Peggy J. ............................................................................................................ 220
Sage, Melanie .................................................................................................................. 222
Scott, Wayne .................................................................................................................... 225
Stewart, Lisa .................................................................................................................... 228
Tvedt, Karen L.................................................................................................................. 232
Williamson, Dawn J......................................................................................................... 235
