BSW ELECTIVE OPTIONS

UNIVERSITY STUDIES

This is a university general education requirement to take **three** “Junior Cluster” courses within **one** cluster. If you were required to take at least one Sophomore Inquiry course (starting at PSU with less than 89 credits) then your Junior Cluster courses must all match the cluster for one of your Sophomore Inquiry courses. If you transferred to PSU with 90 credits or more then you may take your Junior cluster courses within any **one** cluster that interests you. A list of clusters and the possible courses within each cluster may be found at: <https://sinq-clusters.unst.pdx.edu/>. Social Work (SW) courses may not be used to meet this requirement.

BSW EQUITY & INCLUSION ELECTIVES

These are electives taught in the School of Gender, Race, and Nations. BSW students must take **three** upper division courses from any of the following subjects: Black Studies, Indigenous Nations Studies, Chicano/Latino Studies, or Women, Gender, and Sexuality Studies. Note that some courses may not be taught in a given term. You may use the PSU “Course Projections Guide” for some indication of when they will be taught. The Course Projection Guide may be found at: <https://app.banner.pdx.edu/cpg/>.

BSW PROGRAM ELECTIVES

BSW Program Electives are designed to provide a deeper inquiry into a particular field of social work practice. The electives are grouped into three broad categories (Mental Health; Children and Youth; and Aging) but you may take any number of courses from any category. Overall three courses (12 credits) are required. Approved BSW Program Electives taught at the School of Social Work (“SW” courses) may be taken **after** the foundation courses of “Introduction to Social Work” and “Introduction to Oppression & Privilege” have been completed. Approved BSW Program Electives from other departments may be taken at any time. The URL for approved BSW Program Electives is: <http://www.pdx.edu/ssw/bsw>.
