Fifth and Sixth Year			
	Fall	Winter	Spring
Dissertation	SW 603: Dissertation (1+credit)	SW 603: Dissertation (1+credit)	SW 603: Dissertation (1+credit)

Note:

1. Required by individual: With PhD Program Director's approval, students enroll substantive elective courses based on their research focus. Substantive area elective courses can be identified among 500 or 600 level elective courses in SSW or other units, credit for tutorials, participation in professional development and field experiences, etc. Most research electives are offered with 4 credits, however, some are offered with 3 or 5 credits.

2. After successfully completing all required coursework, students are recommended to register SW 603: Dissertation credits to effectively prepare comprehensive exam.

3. Using SW 603 credit, Students are strongly encouraged to enroll Research in Progress (RIP) course(s) in the process of preparing their dissertation.

4. All doctoral students are required to register a total of 27 dissertation credits after successful completion of comprehensive exam.
