## School Social Work Licensure Integrative Paper Scoring Rubric

Criterion	1 – Not Acceptable	2 – Marginal	3 –Acceptable	4 – Very good	5 – Outstanding
Writing	No organizational	Some evidence of	Good organization	Well organized;	Strong organization;
	structure; Frequent	organization but with	overall but with	Clearly written;	Writing of publishable
	use of confusing or	gaps in organization;	minor gaps; Few	Largely free of	quality; No
	unclear language;	Noticeable use of	instances of	grammatical and	grammatical or
	Pervasive	confusing or unclear	confusing, unclear, or	spelling errors	spelling errors
	grammatical and	language; Many	ambiguous language;		
	spelling errors	grammatical and	Few grammatical and		
		spelling errors	spelling errors		
Links learning activity	Does not identify	Identifies a learning	Links one learning	Links at least one	Links at least one
with competency	specific learning	activity and	activity to a	learning activity to a	learning activity to
	activity and/or	competency area but	competency area;	specific competency	multiple competency
	competency area;	little if any linkage of	Describes in general	area; Provides details	areas; Provides rich
	Does not describe	former with latter;	how activity	of how the activity	details of how the
	how activity	Few details of how	increased	increased	activity increased
	increased	activity increased	competency but	competency;	competencies;
	competency; No	learning; Mentions	provides few details;	Discusses how	Discusses in detail
	mention of	coursework but no	Links relevant	relevant coursework	how relevant
	coursework; No	clear link between	coursework with	applies to	coursework
	relevance for social	coursework and	competency area;	competency area;	promoted
	work practice in	competency area;	Has some relevance	Has clear relevance	competency and
	schools	Minimal relevance for	for social work	for social work	identifies meaningful
		social work practice	practice in schools.	practice in schools	gaps in coursework;
		in schools			Has strong relevance
					for SW practice in
					schools (e.g., relates
					to widely applicable
					competency or one
					that is difficult to
					master)

Criterion	1 – Not Acceptable	2 – Marginal	3 –Acceptable	4 – Very good	5 – Outstanding
Identifies challenges	Does not identify a	Partially identifies a	Identifies challenge in	Identifies at least one	Identifies one or
and take-aways	specific challenge	challenge that arose	completing learning	challenge in	more challenges in
	that arose in	in completing	activity; No mention	completing learning	completing learning
	completing learning	learning activity;	of why challenge	activity; Considers	activity; Discusses
	activity; No	Mentions lessons	arose; Connects	why challenge arose;	why challenge arose
	statement of lessons	learned but	challenge with	Clear statement of	with details;
	learned	connection with the	lessons learned but	lessons learned from	Thoughtful discussion
		challenge is unclear	link may be	activity	of lessons learned
			questionable		with clear
					implications for
					practice
Identifies focus for	Does not identify	Identifies general	Identifies one area	Clearly states at least	Clearly states at least
future learning	focus for future	area for future	for future learning	one area for future	one area for future
	learning or identifies	learning but provides		learning; Identifies at	learning; Good fit of
	focus with no	no details		least one strategy for	identified area with
	relevance for school			reaching learning	other learning; Clear
	social work practice			goal(s)	relevance of learning
					goal for school social
					work practice;
					Identifies one or
					more strategies for
					reaching learning
					goal(s)
