Sociology Department Travel Award

**Purpose:** To provide funding for Sociology Graduate Students to present academic research at professional conferences.

**Amount:** The amount and number of awards vary and dependent upon availability of funds. Students may apply for only ONE award per calendar year.

**Application Deadline:** Because students attend various conferences, the deadline is open and dependent upon students’ plans.

**Awarded:** Applicants will be notified within 30 days of the application submission.

**Criteria:**

a) All travel awards are for out of state travel only.

b) Awards will only be granted for national or regional Sociology conferences, or related specialty fields (e.g., American Society of Criminology; American Public Health Association).

c) Student must not be receiving any other form of departmental travel support.

d) Applicant must have paper accepted at time of award.

**Application Procedure:** To receive an award, students must submit the following materials to the development committee:

a) a cover-page with name and contact information;

b) a copy of the paper to be presented;

 c) notice of acceptance from conference;

d) a brief statement (250 words) about the relevance of the research to your academic career.
