*2020-21 rates are for the PSU fiscal year ending July 1, 2021 | ** Day rate begins at seven (7) hours of use*
How do I request a space?
There are two avenues for requesting space. If you are an internal client, you can utilize the Online Reservation Tool to input your request directly into our scheduling system. This is to be used for Smith events no less than three (3) business days in advance. Other inquiries for internal and external clients are made through the Event Inquiry Form. Please give our office five (5) business days to process your request.

What is included in the room rental fee?
The room rental fee includes the price of the room itself, set-up, breakdown and basic equipment such as chairs and tables. Specialized equipment (i.e., podiums, stage risers), A/V equipment and catering services are available at extra costs.

Does your office handle catering or A/V orders?
While we work alongside A/V and PSU Caters to ensure the success of your event, these are separate PSU departments. To secure their services or a quote, you will contact them directly. We'll provide those contacts.

Can I bring in outside food?
Events in the Smith Memorial Student Union are required to utilize our in-house provider, PSU Caters. Exceptions are made by an approved food waiver (food is 100 percent donated).

Can I serve alcohol at my event?
Yes, as long as an alcohol request form is submitted and approved at least 15 business days prior to the event date.

Is there a discount for non-profit organizations?
We do not offer special rates for non-profit organizations. Our pricing is divided into two structures: internal and external. Unless your event is organized by a Portland State University Department or SALP Student Organization, the event is classified as an external event.

When do I pay for my event?
All external rentals require a non-refundable 50 percent deposit of the estimated rental fee. This is due upon receipt of the facility use agreement from your event coordinator. A final invoice will be sent the first week of the month after the event took place. Example: For events that take place in October, the final invoice will be sent the first week of November.

What is your cancellation policy?
To avoid cancellation charges beyond your deposit, events held in small, medium, and large rooms must be cancelled at least 10 business days prior to the event. Marquee spaces must be cancelled at least 20 business days prior to the event. If a cancellation is made after these deadlines, you will be charged 50 percent of the room rental fee. Please see PSU Caters and A/V for their cancellation policies.
