Denver Regional Council of Governments  
*Transportation Voucher Specialist*  
2019-2021

- Developed a 5310 funded transportation program providing an average of 1,000 trips per month to older adults.
- Coordinated with transportation management companies and public transit agencies to provide services to community members with under-served transportation needs.
- Provided transportation info and assistance to older adults and people with a disability.

Denver Regional Mobility and Access Council  
*AmeriCorps VISTA*  
2018-2019

- Raised \$125,000 in grant funds.
- Provided paratransit information and assistance to community members.
- Engaged stakeholders in Adams County, CO to start Local Coordinating Council meetings to address challenges in human service transportation.
