AAS Program-to-Program Articulation and Transfer Criteria

Portland State University

and

Mt. Hood Community College

Associate of Applied Science in Respiratory Care

Portland State University (PSU) and Mt. Hood Community College (MHCC) agree that students earning an Associate of Applied Science (AAS) degree in Respiratory Care from MHCC may transfer to PSU with the following understandings:

1. This Agreement applies to students majoring in Health Studies: Health Science at PSU. (If the Agreement is program-to-program, and the student chooses a different major the courses from the AAS may or may not transfer to PSU.)
2. The intent of this Agreement is to facilitate baccalaureate attainment for students in the Respiratory Care AAS program at MHCC. The combination of courses required in this AAS have been identified as providing the student with sufficient rigor and content to facilitate their success at PSU.
3. All courses numbered 100-level or above used to complete the AAS in Respiratory Care are eligible for transfer to PSU and may be applied as lower division credits toward the minimum 180 credits required to earn a baccalaureate degree. A minimum of 90 eligible credit hours of 100-level or above coursework is required in order to grant the student junior standing at PSU for the purposes of registration only. A grade of C or higher must be earned in courses that would ordinarily transfer as vocational/technical for those courses to be eligible for transfer to PSU. (See Table A Credit Transfer Guide).
4. The courses will transfer as identified in Table A Credit Transfer Guide.
5. As appropriate, courses transferred may fulfill lower division degree, general education, elective, and/or major requirements. See appropriate Advising Guide for requirements that are current as of June 15, 2017. (It is best for the student to work with an academic adviser to determine which catalog rules apply. Students must abide by the PSU seven year catalog eligibility rule, which holds that graduation requirements for a given catalog expire at the end of seven years.)
6. Students may have lower-division requirements to fulfill in addition to the AAS

and will be responsible for completing all graduation requirements for PSU in effect at the time of graduation from PSU in order to earn a baccalaureate degree.

7. Students must meet PSU admission requirements in place at the time they apply for admission to PSU.
8. This Agreement will be in effect beginning summer/2017, or upon date of last signature, whichever is later. Curriculum changes by either PSU or MHCC must be communicated in writing no later than June 30th of any academic year. This agreement will be reviewed every three (3) years to ensure the continued appropriateness and viability of this Agreement.
