Summer 2017 Drop-In Tutor Schedule

Rev. 8/11/2017

Frequently Asked Questions about Tutoring at PSU:

Who are the Learning Center tutors? All LC tutors are peers (undergraduate - doctoral students).

Are LC tutors the only tutors on-campus? No. There are a variety of other places to access tutoring on-campus. Check our website for links to locations such as the Math Lab, MCECS support, Chemistry and others...

How are LC tutors trained? LC tutors receive extensive, ongoing training, and are certified through the College Reading & Learning Association.

How can I learn more or become a tutor? The LC hires a variety of students to become tutors.

At a minimum, all tutors must have a faculty recommendation from the department they wish to tutor, 3.50 GPA, and a desire to support others through knowledge sharing, mentorship, and care.

Who can I contact if I have more questions?

Liane O'Banion, obaniol@pdx.edu

All LC programs and tutors certified by CRLA.
