COLLEGE SUCCESS
FALL TERM 2015

Offered through the Learning Center, College Success (UNST 194/394) builds on the best wisdom from innovators in psychology, business, sports, career development and personal effectiveness using the On Course Success Principles that represent eight of the essential qualities of successful learners. Founded on these timeless principles, College Success empowers students by providing them with a collection of tools and resources for greater success in college, career and in life.

Classes for Diverse Populations are designed for the following:

*LGBTQQIAA: Lesbian, gay, bisexual, transgender, queer, questioning, intersex, asexual and ally students.

**RETURNING WOMEN: Non-traditional female identified students returning to college after an absence or interruption in their education.
