Congratulations on your admission to Portland State University!

All of us in the Office of Admissions and the PSU community are excited that you have chosen to study in Portland, one of the most livable, safe and vibrant cities in the nation. The faculty and staff at PSU are dedicated to your academic and personal success; the average freshman class size is 27 and the students to faculty ratio is just 19:1. As soon as you step on campus you will see why Portland is one of the top U.S. destinations for students, tourists, entrepreneurs and foodies alike.

You are about to embark on an amazing journey, both literally and figuratively, and we’ve put together this welcome packet to help make that journey as smooth as possible. There are important details you need to be aware of as you prepare for college, and also as you settle into your home here in Portland.

Please take the time to read this packet and contact us if you have any questions. You will receive additional information and reminders via email, and you will learn even more during New Student Orientation.

Once again, congratulations on becoming a Portland State Viking!

Sincerely,

Shannon Carr
Executive Director
Office of Admissions
Portland State University
Few decisions are more meaningful and exciting than choosing where to go to college. It’s the jumping-off point for incredible opportunities that lie ahead. As president of Portland State, I want to share some information about the best urban research university in Oregon.

As some of you know, we are located smack in the middle of downtown Portland, a remarkable city known for Powell’s Books, Voodoo Doughnuts, bike paths, lively neighborhoods and a reputation as one of the most livable cities in America. Our campus is part of the fabric of Portland, and that gives our students direct access to internships and future career connections that just aren’t available elsewhere.

U.S. News & World Report recently named PSU one of the nation’s 10 most innovative universities – quite an honor that puts us among some of the biggest names in higher education. One reason is our growing team of excellent faculty who are constantly working on new ways to deliver the knowledge that today’s students need to be successful. Another is that we are always working to keep the cost of a college degree as affordable as possible.

I am proud to announce Four Years Free, a program for Pell-eligible students who graduate from Oregon high schools with a GPA of 3.4 or better. PSU will cover the remaining tuition and fees for students who meet these criteria. This is part of our mission to provide a college education to students from all walks of life.

Another way to save on college costs is to take advantage of our 4-Year Degree Guarantee. Freshmen who sign on are ensured the courses and counseling necessary to complete a degree in four years – or PSU will not charge tuition for any remaining required courses. Graduating on time has the potential to save thousands of dollars. No other public university in Oregon provides this guarantee.

However you slice it, college remains the best investment in your student’s future. At PSU, the results speak for themselves. Our graduates go on to invent technology at Intel, design shoes at Nike, travel the world with Mercy Corps, catch touchdowns in the NFL and win the Pulitzer Prize, among other significant accomplishments.

As you explore your options, I urge you to take a close look at the exceptional educational opportunities at Portland State University. This is your chance – your time – to do something great.

Sincerely,

Wim Wiewel, President
Portland State University
NEW STUDENT CHECKLIST

go.pdx.edu/checklist

There are a few steps you need to take before you will begin school at PSU. Review and complete the items below as soon as you can!

*Required for enrollment at PSU.

☐ Set up your PSU student account and PSU email*

☐ Check your @pdx.edu email regularly

☐ Confirm your enrollment at PSU*

☐ Review and accept any financial aid and scholarship awards

☐ Sign up for New Student Orientation*

☐ Complete your Math Placement Exam (if required)

☐ Submit your On Campus Housing Contract by May 1st

☐ Sign up for and attend an Admitted Student Reception**

☐ Run a Degree Audit Report to learn how your credits will transfer (Transfer Students)

☐ Attend New Student Orientation and register for classes*

☐ Enroll in the PSU Health Insurance Plan or submit the PSU Health Insurance waiver

☐ Set up your payment account with Student Financial Services

☐ Visit campus or take the PSU Virtual Campus Tour

☐ Send final high school or community college transcripts*

☐ Take part in Viking Days

☐ Attend Classes!

**Admitted Student Receptions are offered in March and April for students admitted for the following fall term.

Costs based on 2016-17 figures. Tuition and fees estimated for 15 credits per quarter for three quarters. PSU automatically provides health insurance for $827 per term, which may be waived if comparable insurance is available.

PAYMENT POLICY
All students registered for courses incur a financial obligation to pay the associated fees for those classes. Full payment of tuition, housing and other outstanding fees must be paid by the 6th of the month at the start of each term. If payment in full is not received by the 6th of the first month of the term and the student is not already enrolled in the payment plan, a $100 late fee will be applied on the account the next day and the account will be automatically enrolled in the payment plan. If the student’s account is enrolled in the payment plan but the outstanding installment is not paid by the due date, the $100 late fee will be applied the next day.

PAYMENT PLAN
Pay your tuition in three monthly installments throughout the term. For more details visit: pdx.edu/student-financial/the-psu-payment-plan

PAYMENT METHOD
Students have three options for paying their tuition and fees:

In Person: pdx.edu/student-financial/in-person-payment-option
Online: pdx.edu/student-financial/online-payment-option
By Mail: pdx.edu/student-financial/by-mail-payment-option
PSU Offers many scholarship and financial aid opportunities for in-state and out-of-state students. Once you apply for financial aid or scholarships, there are several other things you’ll need to do to manage your application and maintain your eligibility to receive financial aid.

1. Check your PSU Student Account at banweb.pdx.edu to see if additional documents are needed to process your financial aid award.
2. Log in to your PSU Student Account at banweb.pdx.edu and accept your award(s). Financial Aid award letters will be sent out in March.
3. Set up your refund preference with the Student Financial Services Office at pdx.edu/student-financial/refunds.
4. If you’re taking out a student loan, sign a federal Direct student loan Master Promissory Note or complete new borrower entrance counseling.

Each term, you’ll need to maintain eligibility for your financial aid. This includes making sure your enrollment level matches your financial aid award level, maintaining a minimum GPA, revising your enrollment plan with the Office of Student Financial Aid and Scholarships if you’ll be attending less than full time, and maintaining satisfactory academic progress toward your degree.
ORIENTATION

New Student Orientation is more than registering for classes; it’s your chance to explore campus, learn about student services, and connect with faculty, staff and future classmates. You must confirm your enrollment (pdx.edu/undergraduate-admissions/confirm) prior to signing up for Orientation. All new undergraduate students are required to attend New Student Orientation.

SIGN UP FOR ORIENTATION

Follow the instructions at pdx.edu/undergraduate-admissions/orientation

When you sign up for orientation, you will only see sessions that you are eligible to attend. If you have questions please contact us, orientation@pdx.edu. As soon as you sign up you’ll receive an email in your @pdx.edu inbox with specific details about your orientation session.

BEFORE YOU ARRIVE AT ORIENTATION

- Complete the Math Placement Exam if your major requires it.
- Review PSU’s Graduation Requirements.
- Plan your trip to campus. Reduced-rate accommodations are available for those joining us from outside the Portland Metropolitan area.

WHAT TO BRING TO ORIENTATION

- Government-issued identification such as your driver’s license or passport
- PSU Student Account username and password
- Laptop, tablet or mobile device to be used for course registration
- All unofficial transcripts that reflect courses taken at other institutions since admission
- Comfortable walking shoes
- Rain jacket/umbrella
ADMITTED STUDENT RECEPTIONS

Every year we host optional Admitted Student Receptions for you and your family to learn more about next steps for enrollment, financing your education, campus housing and more. Sign up for a reception near you at pdx.edu/undergraduate-admissions/ASR.

The Center for Student Health and Counseling (SHAC) provides high quality, accessible mental health, physical health, dental and testing services targeted to the needs of the PSU student population.

PSU requires that all domestic students enrolled in five in-load, non-Restricted Differential Tuition credits or more per term maintain comprehensive health insurance to ensure that students stay healthy and in the classroom. The PSU Health Insurance Plan is major medical health insurance providing preventative, routine and specialized health benefits. Students are automatically enrolled and billed the $827* per term. However, those who have comparable outside health insurance can apply to waive the PSU Health Insurance Plan.

Any PSU student taking five or more in-load, non-Restricted Differential Tuition credit hours also pays the Student Health fee of $129 each term, different than the PSU Student Health Insurance Plan. The Student Health fee gives a student access to Health, Counseling, and Dental Services provided at the Center for Student Health and Counseling. All PSU students are able to use Testing Services.

HOW TO ENROLL
To enroll in the PSU Health Insurance Plan, no further action is required. Students are automatically enrolled and your student account will be charged $827* per term.

HOW TO WAIVE
If you have health insurance coverage through a comparable plan and do not require coverage through the PSU Student Health Insurance Plan, you must apply online for a health insurance waiver before the quarterly deadline. If you do not submit your waiver prior to the deadline, your student account will be charged $827* for the term.

*Costs based on 2016-17 figures.
Housing and Residence Life

Portland State’s residence halls are more than just buildings; they are communities. Our urban campus houses nearly 3,000 students from all different backgrounds and cultures. There are many opportunities for all of our residents to get involved in their residence hall community by joining their hall council (student government), attending social, educational and multicultural programs, or by stopping in to our in-hall academic support centers. Learn more at pdx.edu/housing. Housing contract deadline: May 1

Why Live on Campus?

We know from years of analysis that first year students who live on campus perform better in the classroom. They have higher GPAs, greater retention, and graduate at a faster pace than peers who live off campus.

Help When You Need It

University Success is an in-hall academic support hub for students living in University Housing & Residence Life.

Services Include:

- Computer work station with free printing
- Study lounge with a cozy couch and round tables
- Classroom space for group study and presentation practice
- Writing support, academic career advising, and counseling
- Academic coaching
- Success series to help support your academic life
- Academic incentives, including the 3.0 Club and Study Bucks

Social Life

Being a part of the residential community is a unique and fun experience. University Housing and Residence Life has many ways for you to get involved for fun and for leadership!

- Viking Week Welcome
- Timbers Games
- Blazer Games
- Movie Nights
- Montgomery Haunted House
- Laser Tag
- Sunfest Carnival
- Hiking Multnomah Falls
- Marvel Universe
- International Night
- Explore the Oregon Coast
- Bike Portland
- Hall Council
- Residence Hall Association
- National Residence Hall Honorary
HOUSING AND RESIDENCE LIFE
(CONT.)

DINING
Campus residents have many options when it comes to dining on campus. The most popular
dining commons is Victor’s, which is located on the first floor of the Ondine Residence Hall.
Victor’s offers fresh, buffet-style meals. All first year students living on campus are required to
register for a meal plan. Learn more: pdx.edu/housing/dining

The food court in the Smith Memorial Student Union offers fresh brewed Starbucks coffee,
Einstein Bros. Bagels, and favorite classics at the Grill Works, Sbarro, and more! Meetro Cafe is
located in King Albert Hall with Stumptown Coffee (a local favorite), Oregon Chai, snacks and
food, and free wireless internet. Branford’s Bean in the Millar Library features Stumptown Coffee
and snacks. And, of course, our urban location provides endless opportunities for eating at
nearby food carts and restaurants.
CLIMATE AND CLOTHING

Portland is sunny and warm in the summer and cool and rainy (and sometimes snowy) the rest of the year. You should plan ahead to have clothing that is appropriate for the weather. It’s important to have a good raincoat and an umbrella.

SUMMER (JUNE TO AUGUST)
High temperatures are usually between 75° and 80°. Summer clothing attire is for hot weather and a light jacket can be worn for cooler evenings.

FALL (SEPTEMBER TO NOVEMBER)
High temperatures are usually between 53° and 63°. In October, days tend to be mild and partly sunny. As the weather starts to cool, rain becomes more common. Fall clothing is usually layers and a rain jacket.

WINTER (DECEMBER TO FEBRUARY)
High temperatures are usually between 45° and 51°. By December, temperatures may drop to freezing. We may get snow for a few days. It is necessary to have warm clothing and a winter coat.

SPRING (MARCH TO MAY)
High temperatures are usually between 56° and 67°. Spring days often start rainy and end up with blue skies and sun. Spring clothing is usually layers and a rain jacket.
TRANSPORTATION

Portland is routinely ranked among the best transit cities in the United States. TriMet is Portland’s public transportation system. TriMet consists of bus, MAX Train, Streetcar and WES Commuter Rail.

PSU offers discounted TriMet transit passes through Transportation and Parking Services. Transportation and Parking Services also sells parking permits for the parking garages on campus and bike parking permits for the bike garages. Pricing can be found at pdx.edu/transportation.

Biketown is Portland’s city-wide bike share system. Discounted student memberships can be purchased through biketownpdx.com or at the orange bike stations around Portland.
Portland State University leads the way to an equitable and sustainable future through academic excellence, urban engagement, and expanding opportunity for all. PSU provides a wide range of student-focused resources to enhance enrollment, retention, graduation and learning outside of the classroom. Below is the list of resources for students at PSU.

- Disability Resource Center
- Multicultural Retention Services
  - African American Student Services
  - Asian and Pacific Islander Student Services
  - Latino Student Services
  - Native American Student Services
  - Diversity Scholarship Program
  - TRIO Student Support Services
- Student Legal Services
- Veterans Resource Center
- Queer Resource Center
- Women’s Resource Center
- Resource Center for Students with Children
- Lactation Spaces
- Campus Recreation
- Student Activities and Leadership Programs
- Financial Wellness Center
The Office of the Registrar is your resource for course registration issues, declaring your major and accessing your transcripts.

The Office of the Registrar is not responsible for helping students select and/or register for courses; this is the purpose of New Student Orientation and continued meetings with academic advisers. The Office of the Registrar also manages PSU’s residency policy, maintains the official academic calendar, and deadlines for registration and grading.

Student Financial Services is dedicated to helping you understand, pay and maintain your student account.

Student Financial Services assists students in understanding the many facets of their financial obligation to the University. We help students by providing them with timely information about their student financial accounts and payment records.

The Financial Wellness Center is based out of Student Financial Services. It serves to provide students and their families with a number of resources to promote financial literacy, including appointments with certified financial coaches and connections with other PSU offices.
Undergraduate academic advising is provided by each school and college as listed on the Advising website. Students still exploring major options are advised by Advising & Career Services. In addition, many academic departments also have faculty, graduate assistants, and/or peer advisers who advise students within their disciplines.
