Application Procedures and Checklist:
Master of Urban and Regional Planning

APPLICATION DEADLINES
Students are admitted to the Master of Urban and Regional Planning program once a year starting in the Fall term. The deadline for admission is January 15.

We strongly recommend that international students complete their applications by December 1.

APPLICATION PROCEDURES: TWO SEPARATE APPLICATION PROCESSES
To expedite the graduate admission process, Portland State University requires two separate applications—one through the PSU Admissions Office and the other through the Toulan School of Urban Studies and Planning. The PSU application can be completed online as detailed below. TSUSP is currently working on switching our admissions processes over to CollegeNet. In the meantime, you must mail your application materials to our department. Please plan for all materials to arrive by January 15. Late submissions will not be accepted.

PROCESS #1: PSU ADMISSIONS
The PSU Admissions process can be completed either by sending an application by mail or by applying online at http://www.pdx.edu/admissions/. The PSU Admission graduate application requires:

☐ The “Application for Graduate Admission” (http://pdx.edu/ogs/forms), or online. Please note that the MURP application deadline is sooner than the general PSU Admissions deadline. Please send PSU Admission applications by the MURP application deadline of January 15.

☐ The $50.00 non-refundable application fee (do not send cash). The fee is good for one year. Fee can be paid by credit card if you are applying online.

☐ One official transcript, in a sealed envelope, from all post-secondary institutions attended. All transcripts include: coursework taken at PSU, community colleges, study abroad experiences, etc. Even if only one course was taken at an institution, an official transcript must be submitted. To be admitted to PSU you must have a 3.0 GPA in all undergraduate coursework or a 3.0 in all graduate work (with a minimum of twelve graded hours) and a bachelor’s degree from an accredited institution.

☐ For international students whose native language is not English, a TOEFL score of 550 or better, taken within the past two years.
