Declaring/Changing Major/Minor/Certificates in Banweb

1. Log in to [Banweb](#)
2. Select the "Student Services" tab
3. Select "Academic Program Change" from the menu
4. Your current academic program will be displayed

Your Fall 2022 academic program is:

Student Level	Undergraduate
Degree	Undeclared
Primary Major	Business Administration: Finance
Primary Minor	Communication Studies
Catalog Year	2022-23
Anticipated Graduation	Summer 2028
College	--
Pre-professional Program	--

Would you like to change this program?

[Change] [Confirm as-is]

5.
   To change it, select "Change" where it says "Would you like to change this program?"
6. You may then change the following information:
   - Degree type
     i. Selecting degree type will only display majors for which that degree is offered. For example, World Languages majors will not appear if a student selects BS.
   - Primary major
     i. If undecided, students must choose an exploratory pathway
     ii. Students with 90 or more credits must select a major; they can not be undecided.
   - Secondary major (optional)
     i. Certificates will appear under second major
